End of the Year Review

Deleted: Course and Program Approval

Deleted: CAPAC

Formatted: Normal, Centered

1. Continue to promote course outlines with student learning outcomes and assessment as the focus. CURRICULUM COMMITTEE members will serve as mentors to other division faculty in the process.

Deleted: CAPAC

Promotion is an ongoing item. Looking forward to members taking on a more formal role of mentoring as they become more comfortable with CurricUNET.

2. Promote the use of CurricUNET to construct new courses and programs and to review/revise existing courses and programs.

This has been working well this past academic year. Confidence on both committee members and faculty has made this a less cumbersome process.
