Dear Students:

April and May are busy months at Ohlone, and summer/fall classes are just around the corner. Please take a few minutes to read this DSPS Newsletter to find out more information about our program. You should be receiving your Priority Registration WebAdvisor time by e-mail in a week or so. If you need academic advising, please call our front desk at 510-659-6079 or drop by DSPS for more information on drop-in times for counselors. Please come early or you may not be able to see a counselor before Priority Registration.

April 27th is the starting date for Priority Registration, which lasts through April 30th

Students can use WebAdvisor to register for classes either at home, in the DSPS Lab, or in the Library. You do not need to come in to the DSPS Office to register for classes!

Accommodations

In order to receive your accommodations (testing, notetaking, alternate media, etc) for next semester you MUST:

- Sign your Student Educational Contract (SEC) AND
- Submit your Accommodations Request Form
If these are not completed by May 13th, there may be a delay in receiving your accommodations. You may pick up your Accommodations Request Forms at DSPS.

If you make any changes to your classes or accommodations after submitting your Accommodations Request Form, you MUST notify the DSPS/Interpreting & Accommodations Services staff. Accommodations are only arranged for classes that you list on your Accommodations Request Form.

**Alternate Media**

If you need your books in Braille, Kurzweil, or any alternative format, please get your requests in as soon as you register. This is particularly crucial for summer session. **If your Alternate Media Request Form is not completed by May 13th, there may be a delay in receiving your Alternative Media.** You may fill out your Alternate Media Request form in our computer lab or on our DSPS Counseling Website:
