

BIOTECHNOLOGY WORKSHOPS

Ohlone College is once again offering training workshops for biotechnology industry employers and employees. The training is designed to enhance skills in various topics relating to biomedical, medical devices, diagnostics, pharmaceutical, and other areas. These workshops are taught by industry professionals with extensive hands-on experience and are funded by an Economic and Workforce Development grant from the California Community College Chancellor's Office.

WORKSHOP SELECTION:

- | | |
|--|--|
| <input type="checkbox"/> Quality System Reg.-Medical Devices [July 30 & 31] | <input type="checkbox"/> Good Manufacturing Practices [August 4 & 5] |
| <input type="checkbox"/> ELISA Basics [August 21 & 28] | <input type="checkbox"/> Biotechnology for Non-Scientists [August 22] |
| <input type="checkbox"/> Writing SOPs [August 25] | <input type="checkbox"/> Intro to Stats for QA/QC - Basic [August 26] |
| <input type="checkbox"/> Intro to Stats for QA/QC - Intermediate [August 27] | <input type="checkbox"/> Intro to Stats for QA/QC - Advanced [August 28] |

Workshops with an asterisk (*) are only partially supported by the grant & therefore require a fee. All other workshops are free.

NOTES

All workshops have hands-on applications and practice. Some workshops have laboratory activities as applicable.

Detailed workshop information is available at:
<http://www.ohlone.edu/org/entrepreneurial/biotechworkshops.html>

COMING SOON: We will soon be scheduling more workshops for the summer season. Please continue to check our website for updates and additional classes.

WORKSHOP LOCATIONS

Ohlone College

Fremont Campus
43600 Mission Blvd.
Fremont, CA 94539

Newark Center Campus
39399 Cherry Street
Newark, CA 94560

REGISTER TODAY!
