Thanks, Dave.

It's a Visoneer "RoadWarrior" mobile scanner. It's valued at \$200 per a letter that came with it.

Enjoy your vacation!

- Bruce

Bruce, what we will need to accept the donation is some additional info. Name and model should work. You will be the donor, and we will value it based on what you indicate the \$\$ value is. (Our Foundation Board will accept it in Sept then we "give" it to the College via the Board of Trustees.). Meanwhile you can put the scanner into use. You will get a thank you also. YOWZA! Thanks Bruce, Dave

Subject: Small Donation to the College

Dave,

I recently won a portable scanner (~\$200 in value) at a vendor conference I attended on behalf of the College. Since I was representing Ohlone, I don't feel it's appropriate for me to keep it and would like to donate it to the campus for the "CTO's" use. Can you let me know what the process is for making a donation like this one?

Thanks
Bruce
