Courses Seeking Placement on Ohlone College's GE Plan A:

Natural Science:

C HEM-101B General Chemistry – Yvette Niccolls Kenn Waters made the motion to approve CHEM-101B's revisions; seconded by Deb Parziale. Motion carried.

CHE M-109 Biochemistry for Health Science and Biotechnology – Yvette Niccolls need to add scientific method to student learning outcomes and course outline. This course's student learning outcomes, content and evaluation clearly demonstrate meeting GE student learning outcomes. Deb Parziale made the motion to approve CHEM-109; seconded by Paula Schoenecker. Motion carried once changes have been made to the course outline.

Social Science:

GEOG-105 – California Geography – Narinder Bansal Kenn Waters made the motion to approve GEOG-105; seconded by Luc Desmedt. Motion carried.

Humanities:

TAG-181A & TAG-181B – Conversational Tagalog – Wayne Takakuwa Kenn Waters made the motion to approve TAG-181A & 181B; seconded by Chris Warden. Motion carried.

MM-105 Website Design – Pilar Lewis
Amendment review of student learning outcomes to reflect humanities student learning outcomes. Chris Warden made the motion to approve MM-105; seconded by Mark Nelson. Luc Desmedt voted nae. Motion carried.

Wellness:

HLTH-120 Mind-Body Healing – Deb Parziale record on motions to approve and second but motion carried by all.

Information Competency Review:

KG joined the committee for discussion: WASC and the California Academic Senate believes that Information Competency is a necessary GE requirement. Ohlone College incorporates Information Competence in their GE Plan A, requiring students to successfully pass the course Internet for Research or can test out. KG will look into

potential weaknesses in the current exam and wants to help solve upcoming issues.
