

## OHLONE COMMUNITY COLLEGE DISTRICT

To: Ohlone College Student Health Center  
Building 7

Pre-employment INTRADERMAL tuberculin test authorization for:

\_\_\_\_\_ to be tested for freedom from tuberculosis.

### **EMPLOYEE MUST RETURN RESULTS TO HUMAN RESOURCES**

- *Education Code Section 7408.6 requires:*
  - Prospective employees show proof of freedom from tuberculosis
  - Continuing employees show proof of freedom from tuberculosis every four years after hire
- *Intradermal testing at the Ohlone College Student Health Center at a cost of \$18, or Washington Clinic Warm Springs at a cost of \$16*
- Testing at Student Health Center is available Monday, Tuesday and Wednesday by appointment only
- Test must be read at the Center within 48-72 hours
- Call the Ohlone College Student Health Center at (510) 659-6258 or Washington Health Clinic at (510) 651-2371 for an appointment
- Washington Clinic Warm Springs is open Monday, Tuesday, Wednesday and Friday
- **Bring this form to the Ohlone College Student Health Center when you are tested**
- *Positive Test Results:*
  - You will be required to take a chest x-ray for medical evaluation and written documentation that you are free from tuberculosis
  - The District does not cover the cost of the chest x-ray
  - You may use the Washington Clinic Warm Springs or your own physician
