Removal of Poor Academic Status

Once a student on Academic Probation raises his/her overall cumulative grade point average to a 2.0 (C), or higher, he/she will be taken off of Academic Probation and will be in Clear Standing.

Re-admission Policy

Students on Academic Dismissal status must meet with the Director of International Programs and Services and the International Student Counselor. The student is required to complete and submit an original Petition for Reinstatement form to the International Programs and Services office and a copy of this form to the Counseling Department for consideration of continued enrollment at Ohlone College. Petitions must be submitted prior to the first day of the next term.

Appeal Process

Under extenuating circumstances or if the student has shown significant improvement in academic achievement, exceptions to these policies may be granted by the Dean of Counseling at Ohlone College.

Students should meet with the International Student Counselor to discuss their progress or academic status and for details associated with the Academic Regulations policy.
