O’Donnell elected student member of Board of Trustees

MONITOR STAFF

Ohlone students last week elected Daniel O’Donnell as the student member of the college’s Board of Trustees. O’Donnell garnered 169 of the 394 votes cast. Alex Elabed finished second with 126 votes, followed by Aditya Nekkanti with 91.

The election took place Wednesday and Thursday. Students in the Spring Semester had elected all but one of the Associated Students of Ohlone College representatives for this school year. The student member of the board of trustees had several write-in candidates in those elections, but none received the 50 required votes to obtain the position.
