HELP WANTED

Parking structure work continues through July
Continued from Page 1

on the south side of campus is nearing completion. Lot P will be closed from May 14 through mid-June, and close-out work will continue through July. A ribbon-cutting is scheduled for Aug. 12.

Other projects will include re-roofing of the Smith Center and the TV, radio and dance studios, installation of utility infrastructure, and tree pruning on Olive Lane.

AC Transit will stop bus service to the Fremont campus from May 25 through Aug. 23. Bus stops at the front of the campus on Mission Boulevard will continue to operate.

OHOLONE + MATH = SUCCESS

Ohlone students scored in the top 10 nationally for the sixth time in the last 11 years in the Student Math League competition. Above are six of the nine students who made it happen. From left to right: Yaner He, Yiyi Han, Dennis Shen, Kelly Martinez, Wu Sun and Li Cao show the gift cards provided by ASOC for outstanding performance. Also winning gift cards were Kuang Li, Paing Zin Htet and Xi Zhou. Students take tests in the fall and the spring for the competition.
