

## Amazing Artists: Making Art with Many Materials (Grades 4-6)

Is your child a mini-Monet, or a pint-sized Picasso? This class gives children ample opportunity to express their inner artist through a variety of mediums. Along the way students will learn how to use shapes, textures, and color to bring their designs to life as well as gain confidence in their creative abilities. Students will form objects in clay and create images with pencil, paint, and pastel. They will play with shapes and textures and look for patterns and harmony in their designs.

**Time:** 3:00 PM—4:00 PM

**Date:** Tuesdays, March 20—May 15

**Location:** All workshops will be held at Parkmont Elementary located at 2601 Parkside Drive, Fremont, CA 94536. Classroom TBA.

**Cost:** \$98 plus a \$10 materials fee

Register before March 13 by visiting [ohloneforkids.com](http://ohloneforkids.com) or call 510-742-2304
