**PIO Committee Charge:**
A subcommittee of College Council, the purpose and charge of the PIO Committee is as a shared governance body to advise the President on selection of PIOs to support with college resources. Members will be expected to consider the good of the college as a whole and are expected to offer advice consistent with Ohlone’s mission and values, Strategic Plan, and other criteria established for such purpose. Good stewardship of college resources is expected in the group’s advice.

**Composition of the PIO Committee:**
The committee will be comprised of 1 manager, 1 SEIU, 1 CSEA, 2 faculty, 1 confidential, and 1 student. Members need not be members of College Council. The committee will be chaired by a member of College Council. Appointments will be made by the respective constituent group with the President having the final say. Members of this subcommittee will be expected to be available for spring semester meetings, especially in April. The Committee will follow prescribed processes and established criteria in recommending PIOs to move forward in the selection process. The Committee work will follow the sequence represented in the PIO Resource Allocation Process (chart).

**PIO Committee Responsibilities:**
1. Score PIOs using prescribed rubrics. Use results to identify 50 PIOs for analysis.
2. Recommend the top 20 PIOs and send them to RAT, the Facilities Committee, the Technology Committee, and the Faculty Senate for review.
