

Spring Learning College Week
January 17 - 20, 2012

Tuesday, January 17, 2012

9 am - 4 pm (Fremont 9104A) CPR/AED/First Aid

Medic First Aid sponsored certification course.

Facilitated by Jeff Roberts, Athletic Trainer

9 am - 4 pm (Fremont 7101) "Voicing Skills Development, Interpreting from ASL to English" Part I

This workshop focuses on the process of voicing and improving voicing skills. The workshop will be held in two parts - Part I - Tuesday, January 17 and Part II - Thursday, January 19

Workshop Content:

*Information and Resources

*Competencies, Certification Minimums, Academic, Platform and Designated Interpreter Skill Levels

*Techniques and Examples: Register, Prosody, Process, Discourse Scenarios

*Modeling

*Practice Exercises

*Professional Self-Esteem and Voicing

*Best Practices

*Strategies and Professional Development

*Collaboration and Team Interpreting: Theory and Practice

*Follow-up and Integration (Post-Workshop)

Facilitated by Kendra Keller, Consultant

9:30 am - 11:30 am (Fremont HH 209) Introduction to LaTeX

LaTeX is an open-source application designed for creating professional looking documents. It was originally developed at Stanford in the 1970s for the purpose of producing typeset quality in mathematics and the sciences. Now, it has the capability to create graphics and slide-shows along with text documents. *Facilitated by Bob Bradshaw, Math Faculty*

9:30 am - 11:00 am (Newark 1407/08) Intro to Qigong Breathing Techniques

Participants will learn, understand effects and benefits of, and practice two of the primary Qigong breathing techniques commonly applied in self-healing, relaxation, meditation.

RSVP Early! This workshop is limited to 15 maximum. Wear comfortable workout clothing and SHOES. *Facilitated by Sifu May Chen*

10 am - 12 pm (Fremont 7107) Strategies for Creating Effective Program Improvement Objectives (PIOs)

Now that we have completed the first year of writing and evaluating program improvement objectives, the PIO committee would like to provide helpful information to guide departments in writing effective PIOs for next year. This information is relevant to those who have possible objectives in mind as well as those who are planning to brainstorm possibilities with their department later. The session will provide information on the components of program improvement objectives, the criteria used by the committee and administrators to evaluate objectives, and the process for entering this information into the CurricUNET program review module. *Facilitated by Kathleen Schoenecker, PIO Committee Chair & Deb Parziale, Coordinator Professional Development, Program Review, & SLOAC*

12 pm- 2 pm (Fremont - 1405A) Using Technology in the Classroom—iPad and iPods

This workshop will focus on the use of iPads (especially the 2) and iPods in the classroom. The first part of the workshop will focus on hardware and apps that may be useful in the classroom augmenting lectures and class discussion. Included will be an overview of general education apps, office apps (MS compatible), as well as "shared-space" apps. The second part will be "hands-on"; participants will be given an opportunity to use several of the applications. We may have "extra" iPads available, so if you are at all interested, please come and take one for a test drive. *Facilitated by Elliott Cragen, English Faculty, Staff Interpreter*

1 pm - 3 pm (Fremont - 1406) Finding Your Voice through Writing

In this workshop, a series of small assignments and lectures will be given to help us discover our writing voice. *Facilitated by Carmen Madden, English Faculty*

1 pm - 3 pm (Fremont - 7107) Professional Development Committee Retreat

Focused discussion on program review and PIOs and updates to faculty flex guidelines. *Facilitated by Deb Parziale, Professional Development Coordinator*

Wednesday, January 18, 2012

9 am - 4 pm (Newark 1100) College Council Retreat

Facilitated by Dr. Browning, President, and Tim Roberts, Music Faculty

9 am- 10 am (Fremont 1406) Join US for the Edward Jones presentation, "Preparing Your Estate Plan"

Estate planning is a topic people tend to put off or ignore, but it's also one of the most important things you'll ever do. Properly planning your estate helps prepare a secure future for yourself and for generations to come. Together we'll learn much more about estate planning, including what to consider when creating a will, the benefits of trusts in estate planning, how to reduce estate taxes and how insurance can help protect your family.

Facilitated by Nancy L Knight, Financial Advisor. A local estate planning attorney, Tim Gavin, will be available to answer your questions. Edward Jones, its employees and financial advisors are not estate planners and cannot provide tax or legal advice. Please consult your estate planning attorney or qualified tax advisor regarding your situation.

9:30 am - 11:00 am (Newark 1407/08) Get Started with Tai Chi

Participants will learn through instructor demo and mini lecture, basic aspects to practice Tai Chi. Tai Chi is often referred to as Yoga in Motion, Meditation in Motion. Harvard Medical School referred to Tai Chi as Medicine in Motion. Of course, taught properly!

RSVP Early! This workshop is limited to 15 maximum. Wear comfortable workout clothing and SHOES. *Facilitated by Sifu May Chen*

10 am -11 am (Fremont 1406) Join us for the Edward Jones presentation, "Tax-Free Investing: It's Not What You Make, It's What You Keep"

Do you want more control over the taxes you pay? You'll learn about tax-advantaged investments and their features, three different ways to purchase municipal bonds, and how tax-free investing can help you achieve your goals at our presentation.

Facilitated by Nancy L Knight, Financial Advisor & Edward Jones

**Unit trusts and mutual funds are offered and sold by prospectus. You should consider the investment objectives, risks, charges and expenses carefully before investing. The prospectus contains this and other information. I can provide a prospectus, which should be read carefully before investing.*

10 am - 12 pm (Fremont HH 207) SLO Assessment Template Training

Training for Basic Skills courses coordinators and instructors on how to use the SLO blog template to dialogue and conduct course SLO assessment. *Facilitated by Rakesh Swamy*

11 am- 12 pm (Fremont 1406) Join Us for the Edward Jones presentation "Retirement Has Changed. What's Your Next Move?"

Find your retirement reality at our free seminar "Retirement Has Changed. What's Your Next Move?" Together, we'll explore how to organize and record your financial assets, how to set realistic goals for retirement spending, how to determine if you're on track to reach your goals, and what to do if you're not where you'd like to be. It's never too early to start planning for your retirement. Please e-mail us to reserve seats for yourself and a guest at this free educational seminar. *Facilitated by Nancy L Knight, Financial Advisor & Edward Jones*

10 am - 11:30 am (Newark 1102) Online Educators Round Table

Calling all online instructors of any format! Do you feel like you are too busy teaching online to talk about teaching online? Overwhelmed by regulations and requirements? Do you feel like teaching online is all tech talk and no heart? Then come to the online educator's round table for a feast of questions, answers and everything in between.

Facilitated by Perri Gallagher and members of the DE Committee

12 pm - 2 pm (Newark 2100) Using Technology in the Classroom—iPad and iPods

This workshop will focus on the use of iPads (especially the 2) and iPods in the classroom. The first part of the workshop will focus on hardware and apps that may be useful in the classroom augmenting lectures and class discussion. Included will be an overview of general education apps, office apps (MS compatible), as well as "shared-space" apps. The second part will be "hands-on"; participants will be given an opportunity to use several of the applications. We may have "extra" iPads available, so if you are at all interested, please come and take one for a test drive. *Facilitated by Elliott Cragen, English Faculty, Staff Interpreter*

1:00 pm-2:30 pm (Fremont - 1405A) Email Etiquette: Content and Beyond

Workshop Description: This workshop is an extension of the Email Etiquette workshops offered over the last year. This year's session will include a brief overview of email etiquette basics, and a more in depth discussion on appropriate content and strategies for sending effective emails. *Facilitated by Don Penrose, Director of Application Services and Jennifer Druley, Senior HR Specialist*

2 pm - 3:30 pm (Fremont Dance Studio) Shimmy: the Happy Fanny workshop!

Let's face it. Your bum spends a lot of time in a chair laminating its glute layers together. Give it a chance to party and perk up! Shimmy off your stress and have some fun learning some Middle Eastern Dance moves. *Facilitated by Debi Lemon, Faculty*

3 pm - 5 pm (Newark 1408) Newark Adjunct PE Retreat

Physical Educators on the Newark campus will review SLOs and Assessment data from 2010 and 2011, evaluate current program and discuss continued improvement tactics. Additional administrative topics will be discussed as well.

Facilitated by Robin Kurotori, PE/Wellness Faculty

3:30 pm - 4:30 pm (Fremont HH-216) Speech Lab Meeting & Orientation

All SPCH instructors teaching the SPCH 101 - Public Speaking class are invited to attend a speech lab orientation. Also, SPCH faculty working in the lab are invited to participate in the lab planning for the semester. Finally, the SPCH Dept. would love feedback on the new lab manual or the online lab modules. *Facilitated by Brenda Ahnholz & Kristine Carroll, Speech Faculty*

5 pm - 7 pm (Fremont 4104A) Speech & Communication Studies Department Workshop

GIFTS (Great Ideas for Teaching Speech) Please bring a great idea for any SPCH COMM class to share. Consider a new activity using a YouTube SPCH or an iPad in the classroom. Please make 15 copies. *Facilitated by Brenda Ahnholz & Teresa Massimo, Speech Faculty*

Thursday, January 19, 2012

9 am - 4 pm (Fremont 7101) Voicing Skills Development, Interpreting from ASL to English - Part II

9 am - 4 pm (Fremont 7202) DSPS Program Review

Retreat for all DSPS staff and faculty to discuss program review.

Facilitated by Ann Burdett, Director, DSPS

9 am - 11 am (Newark-2315) It Takes a College: Tips for Working with English Language Learners

Practical tips and resources for teaching and working with English Language learners will be shared. *Facilitated by Vicki Curtis and Connie Olsen, ESL Faculty*

9 am - 10:30 am (Fremont Hyman Hall 206) Quia Books - Using the Easy Button

Does your text come with Quia ancillary materials? Have you had time to explore how to do the grading? I've found short cuts that Quia offers to allow you to look at the online work in many different formats. If you don't know if your book has Quia ancillary materials, or if you are considering a text that does and you would like to see what Quia can do for you, check out this workshop! *Facilitated by Debi Lemon, Spanish Faculty*

10:30 am - 12 pm (Fremont Hyman Hall 206) Quia Web - "That was Easy!"

Quia web is a powerful and fun class webpage creator that also has templates and resources for online activities, quizzes and surveys - and it is totally free for students or clients. You can build your page on the web with lots of support and easy to follow directions. You and your students can access this page and all materials from anywhere. Quia: Cloud computing since 2000. *Facilitated by Debi Lemon, Spanish Faculty*

10 am - 12 pm (Newark 2121) Curriculum Screening Meeting

This is the first screening meeting of the spring term. We will calibrate how we screen courses in an effort to be more consistent when working with faculty. *Facilitated by Jesse MacEwan, Curriculum Chair, Counselor*

10 am - 12 pm (Fremont 8112) I Have a Student Who.....

This workshop is facilitated by the SOCC (Students of Concern committee). The intention of this workshop is to introduce and inform faculty and staff about support services on campus. When the emotional concerns and/or disruptive student behavior interferes with the smooth flow of your classroom instruction, we are here to help. If you have had a challenging student and are not sure how to handle it, please do not hesitate to consult. "When in Doubt,

Consult". Each member will talk about their role and domain area. Please bring examples, questions, and be open to learn from one another.

Facilitated by Sally Bratton, Director Health Center, Ann Burdett, Director DSPS, Rosemary O'Neill, Coordinator Mental Health Services, Ben Peralta, Campus Security, Ron Travenick, VP Student Services & Development, Eddie West, Interim Dean Counseling

12 pm - 2 pm (Newark NC1406) Orientation to Newark Fitness Lab

Are you an Ohlone employee interested in using the Fitness lab and/or taking PE classes on the Newark campus? Want to know what the Ohlone Employee Fitness and Wellness program (OEFWP) is all about? Come to this orientation and kill two birds with one stone. We'll review the guidelines for participation in the OEFWP and show you how to maximize your benefits. We'll introduce you to the cardio and weight equipment in the Newark Fitness Lab and even get you started on a personal workout program. **Come dressed to work out** and bring a water bottle and small towel. Health history form should be completed prior to attendance in the Orientation and will be available in advance from the instructor. Please plan to arrive on time as we will begin promptly at noon. For Faculty and staff at Ohlone College interested in using the Newark Fitness Lab. *Facilitated by Robin Kurotori, PE/Wellness Faculty*

1 pm - 3 pm (Newark 1310) Student Award Ceremony (SAC) Committee Planning Workshop

This workshop is the kick-off meeting for members of the Student Award Ceremony (SAC) Committee. Members will be apprised of the current stage of the planning process, then we'll brainstorm and strategize on how to build on the success of previous years.

Facilitated by Barbara Duggal, Librarian

1 pm - 3 pm (Newark 2121) CURRICUNET: Help with Course Module

Faculty will be guided through some of the best practices for how to use CurricUNET for revising courses in the Course Approval Module.

Facilitated by Heidi Barkow, Educational Services, and Jesse MacEwan, Curriculum Chair, Counselor

1 pm - 3 pm (Fremont 1405A) The Model Equal Employment Opportunity (EEO) Plan

The Model Equal Employment Opportunity Plan requires all members of district screening and/or selection committees to receive training in Title 5 equal employment opportunity requirements. This interactive session meets this requirement and covers state and federal discrimination and Title 5 requirements as well as new guidelines for selection committees in the Ohlone CCD plan.

The session covers:

- Why diversity in employment serves the mission of the community colleges
- Overview of the hiring process and the role of screening and hiring committees in that process
- Best practices for hiring and screening committees
- Draft Ohlone CCD recruitment and selection guidelines for selection committees

Facilitated by the Human Resources Staff

1 pm - 2:30 pm (Fremont Hyman Hall 206) FaceBook Me!

Like the idea of using Facebook in your course but can't figure out how to do it? Check out some of these new and easy to use FB features and how they can work for you and your students! If you have a laptop with a camera or a camera in your Mobile Device, bring it with you! *Facilitated by Debi Lemon, Spanish Faculty*

1:00 - 2:30 pm (Fremont 7340, Counseling Department Meeting Room)

International Student Mentor Program Orientation

Orientation with Faculty and Staff who are interested in becoming an international student mentor. The goal of the International Student Mentor Program is to promote cultural interaction and exchange between mentors and mentees.

In addition, mentors offer students support to:

1. successfully transition to college life and life in America
2. become familiar with college resources
3. further develop their communication, interpersonal and self-advocacy skills .

Facilitated by Mandy Yip, Counselor; Eddie West, Director of International Education; Wayne Takakuwa, Counselor; Connie Olsen, ESL Faculty; Rosemary O'Neill, Coordinator Mental Health Services; Kristi Radke, International Programs Assistant

2 pm - 3 pm (Fremont HH - 113) Spartan Model

Have you ever needed to use molecular models? Have you run out of models of a certain atom or bonds and could not make the whole molecule? Did you want to make more than one molecule? Is your molecule too long and complicated for those models? Worry no more! We have purchase a license for the entire school to use Spartan models. Spartan is a powerful program that allows you to build your own virtual molecules, check for angles and bond distances, rotate them and see them in different perspective, make more than one, make many. It also shows its IR spectra and the relationship between the peaks and the vibrational

modes. There are more features to Spartan Model, come and find out for yourself. Bring your own laptop and we can install the program and you have it ready for teaching.

Target Audience: Instructors of Chemistry, Material Science, Biology, and anybody who wants to see molecules alive. *Facilitated by Dr Maru Grant, Chemistry Faculty*

2:00pm- 4:00pm (Newark 2119) Let's talk about SLOs in Math 190, 191 and 151 Courses

We will be discussing about the Student Learning Outcome in each of our basic skills math courses. SLO math questions will be handed out and ask to be given to students taking Math 190 & 191 at the beginning and the end of the course in the spring semester 2012. Participants will be asked to share teaching strategies that have work for them successful in teaching basic skills math students. Let's talk about how we can help our students be successful in understanding basic mathematics and elementary algebra.

Facilitated by Mylene Pelimiano and Anh Nguyen

2:30 pm - 4 pm (Fremont - 7107) Program Review: Creating a Student Learning Outcomes Assessment Project

Plan your SLO project for this year! This project can include assessing both course and program level student outcomes. Come with your ideas and leave with a plan. Join others to discuss and hear their ideas!

Facilitated by Dave Topham, CS Faculty & Deb Parziale, Coordinator Professional Development, Program Review, & SLOAC

2:30 pm - 4 pm (Fremont- HH - 206) Jingle all the Way!

Heard people talking about Camtasia and wondered what it is? Or maybe looked at Camtasia and thought, "too complicated!" Meet Jing (free!) *Jing* is Camtasia's very clever (free!) little brother. Jing makes Screen captures - photos, audio & video captures very simple.

Save your captures yourself or Jing will save them to ScreenCast for you (free!)

Oh, and did I mention that it is FREE?

Facilitated by Debi Lemon, Spanish Faculty

4 pm - 5:30 pm (Newark 2119) Improving Teaching of Algebra II and changing the algebra textbook

We will discuss the changes of algebra II part A and B coverage and the selection of new textbook for algebra classes. *Facilitated by Tania Munding*

Friday, January 20, 2012, Fremont Campus

8 am - 9 am (Smith Center) Continental Breakfast

Courtesy of the Office of Academic Affairs and Professional Development

9 am - 10 am (Smith Center) President's College Address - Dr. Gari Browning

Campus offices closed from 8 am - 10 am

10:15 am - 2:45 pm (Fremont 3201) Fixed Flex Faculty Time

The all faculty forum will run from 10:15-2:45 pm, with a lunch break. Faculty will have SLO presentations from 10:15-11:30, and then from 11:30-12 faculty will have time to work on their own departmental SLOs with additional collaboration during lunch. Lunch will run from 12-1.

Morning Student Learning Outcome Assessment Project Presentations:

Jeff Roberts - Athletics

Dave Topham - Computer Science

Rakesh Swamy - Basic Skills

After lunch, from 1-1:30 pm there will be a facilitated discussion soliciting faculty suggestions for revising the tenure review process. Then from 1:30-2 pm there will be a faculty benefits presentation and from 2 - 2:30, Dr Browning will come for an open Q & A session with faculty. The session will end with faculty updates.

Facilitated by Heather McCarty, Jeff O'Connell, Wayne Yuen

12 pm - 1 pm - (Fremont - Cafeteria) All-College Barbecue Luncheon

Facilitated by Bob Bradshaw and his team and SOAR!

3 pm - 4:30 pm (Fremont Campus) Division Meetings

FC - TV Studio B - Fine Arts, Business, and Broadcasting - *Walt Birkedahl, Dean*

FC - 1307 - Learning Resources, CAOT, & BSM - *Lesley Buehler, Dean*

FC - HH 118 - Health Science and Environmental Science - *Gale Carli, Dean*

FC - 6301 - Deaf Studies - *Genie Gertz, Dean*

FC - HH 217 - Humanities, Social Science, Mathematics - *Mikelyn Stacey*

FC - 8205 or 7101 - Science, Engineering, and Technology - *Ron Quinta, Dean*

FC - 9103 - Athletics and Exercise Science - *Chris Warden, Director*
