

## APPENDIX B

Annual FTES - History

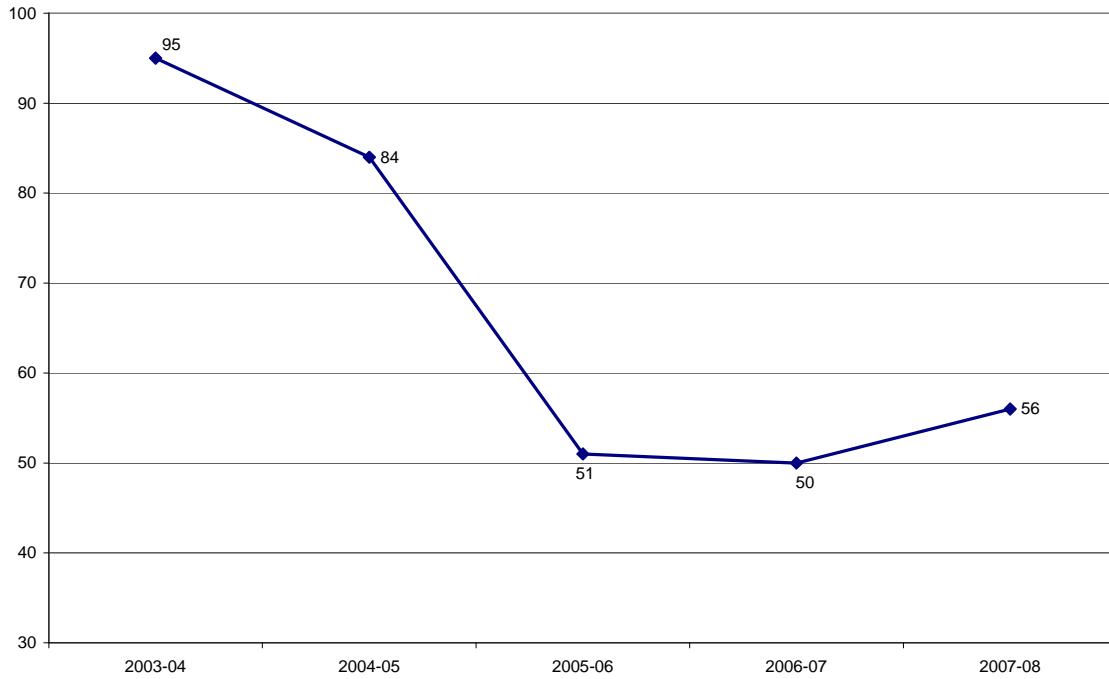

Total college FTES: 8437, representing a 4.8% gain over 2006-07 and an 8.0% gain over the previous four year average.

Scale for this discipline: 150-350

Contextual comments: 2007-08 FTES represents a 48.0% gain over 2006-07 and a 40.7% gain over the previous four year average. Starting 2005FA, a history course was no longer a general education requirement for students who completed an associate degree using Ohlone's Plan A general education requirements; prior to 2005FA, every graduate was required to complete at least one history course.

### Annual FTES - Political Science

Total college FTES: 8437, representing a 4.8% gain over 2006-07 and an 8.0% gain over the previous four year average.

Scale for this discipline: 30-100

Contextual comments: 2007-08 FTES represents a 12.0% gain over 2006-07 but a 20.0% decline from the previous four year average. Starting 2005FA, students were no longer required to complete a political science course in order to meet Plan A general education requirements for an associate degree.
