CPS CLERY NOTIFICATION METHODS

The Ohlone Community College District Campus Police Services Annual Campus Security Report publication is the Department's "student right to know" report. Campus Police Services updates a hard copy and prints it to be distributed. Copies are available at the Campus Police Services office or by calling us at (510) 659-6111. An updated online version is available on the Campus Police Services website (<http://www.ohlone.edu/org/security/>).

Each semester, the Campus Police Services makes the Annual Campus Security Report publication available to all students and employees by informing them of the existence and location of digital and hard copies of the Annual Campus Security Report publication. Information is also provided on the Ohlone website, Ohlone College catalog, and semester schedule of classes.

REPORTING AND RESPONSE SYSTEMS

The Procedures Manual contains the rules and regulations that govern the conduct of Campus Police Services personnel and enforcement procedure of the District. It is the responsibility of the Chief of Campus Police Services to maintain the Procedures Manual and communicate additions and deletions to employees.

An operational memorandum of Understanding with the Fremont Police Department, which includes records, patrol, investigative, communications, and incarceration support, is maintained at the Campus Police Services Office. Fremont Police are to be called for assistance in any instance where a major crime has been committed or for an auto accident in which there are visible injuries or complaint of pain.

SECURITY OF FACILITIES

Unauthorized persons are not allowed into buildings, which are secured for evenings, weekends, and holidays. If an individual wants entry into a building, Campus Police Services personnel must first check that person's identification (unless the person is known). An entry is then made in the activity log, stating the building, time, date, and person allowed into that building.

Campus Police Services has the authority to request Buildings and Grounds staff to respond to situations that present a threat to the public safety/liability of the District.

ALCOHOL AND DRUG ABUSE POLICIES

In accordance with Public Law 101-226 "Drug Free Schools and Communities Act Amendment of 1989," the Board of Trustees of Ohlone Community College District has enacted the following:

Any student or employee who violates this policy will be subject to disciplinary action (consistent with local, state or federal law), which may include referral to an appropriate rehabilitation program, suspension, demotion, expulsion or dismissal.

The President/Superintendent shall assure that the District distributes annually to each student the information required by the Drug-Free Schools and Communities Act Amendments of 1989 and complies with other requirements of the Act.

A rape awareness program is held at least once a year for both Staff and Students.

REPORTING SEXUAL ASSAULTS

A victim of a sexual assault should report the incident (including date or acquaintance rape) to Campus Police Services, the local police department, or any campus official.

PREVENTING SEXUAL ASSAULTS

Knowing the facts about rape...

- ❖ Rape is a violent crime - a hostile attack - an attempt to hurt and humiliate. It is NOT the result of "uncontrolled passions."
- ❖ Rape can happen to anyone. Children, grandmothers, students, working women, wives, or mothers. Even males are the victims of rape.
- ❖ Rape can occur anywhere and at anytime in public or in your own home, day or night.
- ❖ Rapists are not necessarily strangers. In fact, in over one third of reported cases, the rapist is an acquaintance, neighbor, friend, or relative of the victim.

Prevention Tips...

- ❖ Know the facts about rape. Become aware of locations and situations where rape might occur, and avoid them.
- ❖ Consider your alternatives if confronted by a rapist. Practice possible responses so that you can recall them even under the stress of a real encounter.

Outdoors...

- ❖ Be alert to your surroundings and the people around you - especially if you are alone or it is dark.
- ❖ When possible, travel with a friend.
- ❖ Stay in well-lit areas as much as possible.
- ❖ Walk confidently, directly, at a steady pace. A rapist looks for someone who appears vulnerable.
- ❖ Walk on the side of the street facing traffic.
- ❖ Walk close to the curb. Avoid doorways, bushes, and alleys where rapist can hide.
- ❖ If you think you are being followed, walk quickly to areas where there are lights and people. If a car appears to be following you, turn and walk in the opposite direction, or walk on the other side of the street.
- ❖ If in danger - scream and run, or yell fire, or break a window to attract attention.

At home...

- ❖ Many rapes occur in or near the victim's home. One of the best ways to prevent sexual assault is to practice good home security.
- ❖ Install effective locks on all doors and windows - and use them.
- ❖ Install a peephole viewer in your door. NEVER open your door without knowing who is on the other side. Require salespersons or repairmen to show identification.
- ❖ If strangers telephone or come to your door, don't admit that you are alone.
- ❖ If you live in an apartment, avoid being in the laundry room or garage by yourself, especially at night.
- ❖ If you come home and find a door or window open or signs of forced entry, don't go in. Go to the nearest phone and call the police.

Car safety...

- ❖ Always lock car doors after entering or leaving your car.
- ❖ Park in well-lit areas.
- ❖ Have your car keys in your hand so that you don't have to linger before entering your car. Keys can also serve as a possible weapon against an attacker.
- ❖ Check the back seat before entering your car.
- ❖ If you think you are being followed, drive to a public place or a police station.
- ❖ If your car breaks down, open the hood and attach a white cloth to the car antenna. If someone stops to help, stay in your locked car and ask them to call the police or a garage.

If attacked...

Remember your main concern must always be your safety. No one can tell you whether you should fight back, submit, or resist. IT DEPENDS ON YOU AND THE SITUATION. However, your best defense is to be prepared - know your options ahead of time. Your safety may depend upon your ability to stay cool and calm.

Weapons...

Carrying weapons for self-defense is controversial and sometimes illegal. Be safe - for more information, contact your local law enforcement agency.

If you are a victim of a rape...

- ❖ Get help quickly. Call the police, sheriff, a rape crisis center, doctor, friend, or relative.
- ❖ Do NOT wash, douche, change clothes or clean up in any way until after talking to the police and going to the hospital. (You could destroy valuable evidence.)
- ❖ Remember you are the victim. You have nothing to feel guilty or ashamed about.

CRIME ON CAMPUS

The Jeanne Clery Act requires Ohlone College to provide additional information to the community. Crimes that must be reported are murder, manslaughter, sex offenses (forcible and non-forcible), robbery, aggravated assault, burglary, motor vehicle theft,

and arson. In addition, Ohlone College must report “arrests or disciplinary referrals for liquor, drug and weapons offenses” and hate crimes by classification.

Crimes that fall under the Clery Act requirement must also be reported by location of occurrence: on campus, residence community, non-campus buildings or property, and public property (streets, sidewalks, parking lots adjacent to the campus.)

CRIME AND ARREST RECORDS

Enacted in 1990, the Campus Security Act requires all colleges and universities that receive Federal funds to release their security policies and the three most recent years of crimes statistics for homicide, manslaughter, sex offenses (forcible and non-forcible), robbery, aggravated assault, burglary, motor vehicle theft, and arson. It also requires that schools provide statistics for arrests for liquor law violations, drug violations, and weapons possession.

Records of crime on campus and crime data are available upon request at Campus Police Services. The crime data is posted on a public bulletin board at the Campus Police Services office, public bulletin boards throughout the campus and distributed annually to staff and students.

ADMINISTRATIVE REVIEW FORM (APPEAL)

For a period of 21 calendar days from the violation date or 14 calendar days from the date of the Notice of Delinquent Parking Violation (40207), a person may request a review by the issuing agency. **YOU HAVE NO RIGHT OF APPEAL AFTER THESE SPECIFIC PERIODS.** An Administrative Review Appeal must be in writing. Please be specific in explaining why the citation should be dismissed. The Chief of Campus Police Services will conduct the review. The person will be notified in writing of the results of the review.

To request an Administrative Review, please come to Campus Police Services office. There is also a form available on our website to download.

If the person is dissatisfied with the results of the Administrative Review, the person may request to be heard by a Hearing Examiner. The person requesting to be heard by an Examiner must deposit the amount of the fine with the issuing agency. This fine must be deposited by the 10th day following the mailing to that person of the results of the Administrative Review. The person requesting the Hearing Examiner must submit a written explanation of the reason for contesting the parking violation. This Hearing Examiner Review will be conducted by a person appointed by the Vice President, Business Services, with the approval of the Board of Trustees. (Should it become more cost effective to provide the hearing in a manner mutually agreeable with the Tri-Cities, this matter will be brought back to the Board of Trustees.)

Within 20 days of the mailing of the Hearing Examiner's decision, if the person is dissatisfied, an appeal may be filed with a Civil Court (Small Claims Court). The court will require the person filing the appeal to pay a filing fee plus any other applicable court charges and fees. The appeal is heard de novo (anew) in a Small Claims Court with the District's file in the case submitted as evidence. A copy of the Notice of Parking Violation is admitted into evidence as prima facie evidence of the violation. If the court overrules the decision of the findings of the Hearing Examiner review, the District must refund the filing fee and any part of the parking fine that the court may order to be refunded.
