## IMPLEMENTATION AGREEMENT

Södertörns Folkhögskola, Stockholm, Sweden  
Ohlone Community College District, Fremont California USA

1 June 2008

In the spirit of continued friendship, international goodwill and mutual interest established by the partnership agreement, Interpreter Preparation Programs at Södertörns Folkhögskola and Ohlone Community College District. We now hereby enter into this Implementation Agreement with the intention of formalizing the sister program relationship. This implementation agreement includes, but is not limited to, the following five areas.

1. Faculty Exchange
  2. Curriculum Support
  3. Information Sharing
  4. In-service training for faculty
  5. Guest lectures for students
- 
1. Faculty Exchange: Opportunities for faculty exchange will be pursued by both parties. The terms of the exchange are to be worked out by individual faculty members involved and their administrators. The length can be as short as a week and as long as a semester. The parties agree that when hosting exchange faculty, the receiving institution will pay all expenses during the stay at Fremont or Stockholm. The sending institution will pay all expenses for transit between Fremont and Stockholm.
  2. Curriculum support: Feedback for curricular enhancement will be available for both programs. Paper review will be the primary vehicle for curriculum support.
  3. Information Sharing: Both parties will continue to share curricula, media, and other relevant materials.
  4. In-service training for faculty: Opportunities for continued in-service training will be pursued by both parties. The format for such training can include on-site sessions, videoconferencing and on-line.

5. Guest lectures: Opportunities for guest lectures will be pursued by both parties. Guest lectures can be made on-site, through videoconferencing, and/or on-line discussions.
