1. **SLOA coordinator report:**
   - SLOA and DE TBA-Hybrid reminder has been sent to 'Close Encounters' faculty newsletter.
   - Speech about our SLOA work here will be given Oct 7, at the SLO Coordinators Pre-Conference Session on October 7 in SF
   - Our mandates with the educational master plan

   1. Section 6, Goal 1 says: Through innovative programs and services, improve student learning and achievement
      Objective 1:
      By 2013, complete an assessment of student learning outcomes for all courses and programs

   2. Section 7: Self Identified Improvement Agenda from 2008 Institutional Self Study
      Assessment
      Instructional Programs:
      - An ongoing system of assessment of student learning outcomes at the program level will be in place for all programs. [II.A.1.c]
      - The Student Learning Outcomes and Assessment Committee will be an active leadership body, which will engage the college in ongoing development, review and assessment of student learning outcomes. (Beyond meeting the standard) [II.A.2.f]
      - A system of assessment of learning outcomes at the program level will be in place to indicate more clearly that all degrees and certificates are awarded based on achievement of student learning outcomes. (Beyond meeting the standard) [II.A.2.i]
      - A structured assessment process that can be individualized by each General Education area will be developed and faculty will be encouraged to complete their own assessment plan through course and/or program review. (Beyond meeting the standard) [II.A.3.a]
      - An ongoing review of assignments and assessment/evaluations that correlate with course-level student learning outcome (on Official Course Outlines) will be in place and faculty will be encouraged to create assignments that promote active, collaborative learning and use of technology. (Beyond meeting the standard) [II.A.3.b]
      - An ongoing review of assignments and assessment/evaluations that correlate with course-level student learning outcome (on Official Course Outlines) will be
student learning related to ethical issues within the Social Science, Humanities, and/or Cultural Diversity areas. (Beyond meeting the standard)

- An SLO program being offered right now – kind of like mine, but more good looking and more features (but not yet complete, like mine)
