1. **Members Present**: Deb Parziale, Rachel Sherman, Dave Topham, Jim Wright

2. **Approval of Minutes**: March 14, 2011 and April 11, 2011, Motion – Rachel; Second – Dave, approved

3. **Approval of SLOAC Year-End Report**: Motion – Rachel; Second – Dave; approved

4. **Faculty SLO Assessment Survey**: Good response to survey! In just two days time, 108 full-time and adjunct faculty responded with about twice as many adjunct faculty as compared to full-time faculty who responded. All faculty who responded indicated they use some type of authentic assessment to assess student outcomes at the course level. 97% set clear criteria for student grading and 79% report using assessment results to improve their courses. 5. **Completion of ACCJC Report**: Discussed the results sent in the last two years. Faculty Survey on SLO assessment will help to provide data to complete this year’s report.

6. **Student Services Update**: No new information

7. **Next Steps**:
   - Dr Wright is forming an extended SLOAC meeting consisting of faculty and deans. Information on assessment and SLOs will be presented at the May 11, 2011 Dean’s meeting.
   - Continue to work on resolving the following issues:
     - Clarify methodology for assessing course and GE outcomes to make the process effective, efficient and meaningful.
     - Clarify how to engage Adjunct Faculty in assessing SLOs.
     - Clarify are we will disseminate assessment results.
     - Clarify the annual timeline for course and program assessment completion?
   - Workshops for Learning College Week – reviewed requests generated by the Faculty Survey. Deb will do several workshops related to writing SLOs, rubrics, and using assessments to make improvements in courses and programs. Rachel will work with Jesse to provide workshops on Curriculum.

8. **Committee Membership Next Year**
   - All members indicated they will continue in the SLO Committee next year.

Respectfully Submitted, Deb Parziale
