

Sample Charter - SLO-A Sub-Committee

SLO-A Coordinator:

This position should be filled by a faculty member of the SLO-A committee. It is a two-year term with 25% reassigned time. In support of the Chair of the Curriculum Committee, the SLO-A Coordinator will provide leadership in the following areas:

1. Chair the SLO-A Committee.
2. Provide committee members with training regarding the Instructional Program and Discipline Review Process.
3. Develop the Program Review capabilities of the CurricuNET database.
4. Oversee the assessment processes relating to General Education Plan A.
5. Provide leadership in staff development related to student learning outcomes and assessment and advocate for faculty primacy in curricular issues.

Committee Membership:

The committee will be composed of nine faculty and deans representing various Academic Divisions and the Office of Institutional Research.

Committee Goals:

1. Provide support and serve as resource to programs completing the Program and Discipline Review Process.
2. Provide ongoing review of the Instructional Program and Discipline Review process.
3. Promote Program Review as a continuous process with ongoing assessment strategies.
4. Oversee the implementation of student learning outcomes and assessment in alignment with accreditation standards.
5. Assist programs to evaluate the quality and effectiveness of their own assessment processes.
6. Evaluate the quality and effectiveness of the overall assessment process.
7. Provide a forum to address questions arising from the implementation and use of assessment.
