Core Values & Ethical Fitness Final Paper - Instructions

INT 127 Ethics 1

Instructions:

Write a ~5-6 page college-level paper on ethical fitness as it relates to your personal core values and to shared American values. Identify 3-5 core values that guide you. Reflect on American core values that you may or may not share. Explain how these particular values became strong in your life. Use specific, real-life examples. Give an example of how a core value is tied to decisions you make and actions you take. The Core Values & Ethical Fitness paper is due at the beginning of class on **Wednesday, Oct 8.** Please submit papers as an attachment to an email to tmanning@ohlone.edu.
