

Learning Community Student Survey

You have enrolled in a University Express learning community, linking English 163 (Techniques of College Reading), English 151B (Fundamentals of Composition), Speech 101 (Introduction to Public Speaking), and Personal Development 113 (Strategies for Succeeding in College). Your instructors would like to know what your expectations and motivations are for being in a learning community. Please complete the survey below as completely and as honestly as you can.

Name: _____

Student ID#: _____

Email: _____

1. Why did you choose to enroll in this University Express learning community?

2. How did you find out about this learning community?

3. What do you think it will be like to be in a learning community? What are your expectations for your classes and for the instructors?

4. As a student, what do you think will be the advantages of being in a learning community? What do you think might be the disadvantages?

5. Do you have any questions about learning communities in general or about this learning community in particular?
