

Cal State East Bay's Transfer Admission Guarantee (TAG) program is designed to assist students with baccalaureate degree objectives who plan to begin their college education at a community college before entering the University.

The TAG agreement outlines the community college coursework necessary to guarantee later entry into Cal State East Bay. Combined with early advising prior to submitting an application for admission, the program helps to ensure the completion of required and recommended coursework for admission, general education completion, and lower-division major requirements. A dual admission component to the TAG program allows participants to obtain a Cal State East Bay photo identification card, permitting access to the university library and other facilities.

TAG agreements must be completed no later than one year prior to intended entry into Cal State East Bay. Once a TAG agreement is completed, students are ready to apply and be admitted to Cal State East Bay for a pre-selected term of entry.
