Contact the instructor: 979-7915, ikatz@ohlone.edu,
----- mailbox 2nd floor of bldg. 1. I will get these messages on M, W, and F only.
Speak clearly and slowly, include your name, phone number, and how I can help you.
Web site math dept: <http://www.ohlone.edu/instr/math>

Required text: Trigonometry 6th ed. by Mckeague and Turner

Objectives of the Course: Problem solving skills and knowledge of the skills
----- nec. to succeed in the following courses, including
Trig. functions, Trig. identities, right angle applications, non-right angle
applications, Trig. formulas, radians, graphing Trig. functions, solving Trig.
equations, and inverse Trig. functions.

Classroom Instruction: Lecture, group work, activities, practice problems, answer
questions from HW, Tests, review for test.
Classroom courtesy is expected.

Examinations: There will be approximately 6 tests and a final exam.
----- No notes or books will be allowed for these tests.

Prerequisite: "C" or better in MA152 Alg.II, or a placement test
----- selecting this class

Makeup tests policy: There will be one time when makups are given. During
----- the last 2 weeks one day will be devoted to all makeup
tests. You may only make up 1 test. Do not miss more than 1 test. If you
do not miss any tests, you may take one test of your choice over. The
second grade will be used, be it higher or lower.

Attendance: Students are expected to attend every class meeting. If a student's
----- absences exceed twice the number of weekly meetings, they are subject
to being dropped. Please, contact your instructor if you must miss class.
Assignments are due the day that you return, unless you have a written legal
excuse. In which case you must arrange a due date with your teacher.

Last day to W w/refund Feb. 4

Last day to W Apr. 24

Cheating, including talking, looking at someone else's test, leaving notes where you or someone else can see them, etc., will result in a 0 grade on your test.

EVALUATION OF STUDENT PERFORMANCE:

Homework*	20%	A 90-100
Tests & Quizzes	65%	B 80-89
Final Exam	15%	C 70-79
		D 60-69
TOTAL	100%	

* The Homework grade is determined by the number of assignments completed.

TUTORING AND ADDITIONAL HELP: The MATH LAB is an excellent resource for additional help. Many computer programs dealing with specific chapters of our textbook are available in the mathlab. Individual tutors are also available at no cost. Instructors have office hours. Ask your instructor if you would like more information.

Cell Phones, and anything else that makes noise, should be off during class, and must be off during tests and quizzes. Talk to your instructor if you have a special need.
