This assignment is designed to give you an opportunity to practice the PQ3R Study Method.

P: Preview
Q: Question
3R Read, Recite, Review

GENERAL DIRECTIONS

1. Complete these assignments by the due date.

2. Complete a preview using Chapter 6: “Writing Effectively” in Mosaics (your course textbook). The preview should be completed using the attached PQ3R Study Method Preview Worksheet.

DIRECTIONS FOR THE COMPLETE PQ3R

• After completing the preview, before reading the chapter, fold a piece of paper in half (see sample below). Look at the major headings and subheadings, and use them to create open-ended questions (who, what, where, when, how, why). **Number all of your questions** and write them on the left hand side of the paper you have folded in half. Leave lots of space in between each question to leave room for your answers.

• Begin reading the chapter and write the answers to your questions in complete sentences on the right hand side of your paper as you encounter them. Your answers should be very extensive and detailed.

• A minimum of 8 questions and answers are required. **No credit will be given if you submit less than eight questions and answers.**
