

CURRICULUM GUIDE 2014-2015

ANTHROPOLOGY

Associate in Arts in Anthropology for Transfer (AA-T)

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer," a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts in Anthropology for Transfer is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete 60 required semester units of CSU-transferable coursework with a minimum GPA of 2.0. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements.

Completion of the requirements for the Associate in Arts in Anthropology for Transfer prepares a student for transfer to a California State University to engage in upper-division work towards a bachelor's degree in Anthropology. Students who complete this associate degree will be able to apply anthropological perspectives to the biological and cultural study of humankind, including the prehistory of humans, human forms of communication, and human cultural diversity.

Requirements for Associate in Arts for Transfer Degree:

- a) Complete all Major and Supporting Courses with a grade of C or better.
- b) Complete CSU GE (Plan B) or IGETC (Plan C) requirements. These requirements are specified in the Ohlone College catalog.
- c) Complete 60 CSU-transferable semester units.
- d) Complete a minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum GPA of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.
- e) Complete 22 semester units in the Anthropology major.
- f) Complete at least 12 units at Ohlone College.

Student Learning Outcomes

1. Critically analyze and interpret anthropological data.

2. Apply anthropological principles and methods of inquiry to the study of human diversity locally, regionally, and globally.
3. Apply anthropological knowledge and demonstrate intercultural sensitivity to contemporary issues within a culture and cross-culturally.
4. Demonstrate an understanding of science, the scientific method, the concept of culture, and major anthropological concepts related to human biological and cultural evolution.

MAJOR FIELD

ANTH-101	Physical Anthropology	4
