Upon the District’s notice of the NEO/OB, SEIU shall notify the District of the representative who will be attending the NEO/OB. 8.1.11.4 Any such release time shall be subject to the work requirements of the involved employees and the District.
ARTICLE 9
DISCIPLINE AND DISMISSAL OF PERMANENT UNIT MEMBERS

9.1 This Article applies only to permanent unit members. A probationary employee can be terminated without cause and without any of this process. A probationary employee may be terminated, at any time, at the sole discretion of the District and without the right to a hearing.

9.2 Definition

9.2.1 Any employee designated as a permanent employee shall be subject to disciplinary action only for reasonable cause. “Cause” relating to disciplinary action against classified employees means those grounds for discipline, or offenses, enumerated in the law and written rules, regulations and policies of the District.

9.2.2 Discipline is defined as suspension, demotion, involuntary transfer, involuntary reduction in hours or pay, and termination/dismissal.

9.2.2.1 Written and verbal reprimands are not considered discipline.

9.2.3 The principals of progressive discipline shall apply. Progressive discipline should generally be utilized when disciplining public employees, except when the employee presents a risk of harm, danger, or injury or when the violation is illegal.

9.2.4 Discipline and dismissal of permanent unit members shall take place in accordance with the appropriate provisions of Education Code section 88013.

9.3 Causes for Discipline

9.3.1 A permanent member of the classified service shall be subject to disciplinary action, including, but not limited to, reduction in pay, demotion, suspension, or discharge. Causes for discipline are in accordance with Board Policy 7365, Education Code and any applicable law. Causes for discipline include but are not limited to:

9.3.1.1 Fraud in securing employment or making a false statement on an application for employment or any false statement on any document related to Ohlone.

9.3.1.2 Incompetence, i.e., inability to comply with the minimum standard of an employee's position.
9.3.1.3 Inefficiency or inexcusable neglect of duty, i.e., failure to perform duties required of an employee in the position.

9.3.1.4 Willful disobedience and insubordination, a failure to submit to duly appointed and acting supervision, conform to duly established orders or directions of, or insulting, undermining or demeaning the authority of a supervisor or manager.

9.3.1.5 Dishonesty involving employment.

9.3.1.6 Being impaired by or under the influence of alcohol or illegal drugs or narcotics while on duty, which could impact the ability to do the job.

9.3.1.7 Excessive absenteeism.

9.3.1.8 Unexcused absence without leave.

9.3.1.9 Abuse or misuse of sick leave.

9.3.1.10 The conviction of either a misdemeanor or a felony involving moral turpitude shall constitute grounds for dismissal of any employee. The record of conviction shall be conclusive evidence of the fact that the conviction occurred. A plea or verdict of guilty, or a conviction showing a plea of nolo contendere made to a charge, a felony, or any offense involving moral turpitude, is deemed to be a conviction within the meaning of this Section.

9.3.1.11 Discourteous treatment of the public, students, vendors or other employees.

9.3.1.12 Improper or unauthorized use of District property.

9.3.1.13 Refusal to subscribe to any oath or affirmation, which is required by law in connection with District employment.

9.3.1.14 Any willful act of conduct undertaken in bad faith, either during or outside of duty hours which is of such a nature that it causes discredit to the District, the employee's department or division.

9.3.1.15 Inattention to duty, tardiness, indolence, carelessness or negligence in the care and handling of District property.

9.3.1.16 Mental or physical impairment, which renders the employee unable to perform the essential functions of the job despite reasonable
accommodation or which presents a direct threat to the health and safety of self or others.

9.3.1.17 Acceptance from any source of a bribe, reward, gift, or other form of remuneration in addition to regular compensation to an employee for the performance of his or her official duties.

9.3.1.18 The refusal of any employee of the District to testify under oath before any court, grand jury, or administrative officer having jurisdiction over any then pending cause of inquiry in which the District is involved. Violation of this provision may constitute of itself sufficient ground for the immediate discharge of such employee.

9.3.1.19 Willful violation of policies, procedures and other rules, which may be prescribed by the District, college(s) or departments.

9.3.1.20 Working overtime without authorization.

9.3.1.21 Abandonment of post, without authorization from his/her supervisor; the unit member shall be provided the opportunity to demonstrate good cause to excuse his/her absence and failure to call in to the supervisor.

9.3.1.22 Abandonment of position. Five of the affected unit member’s workdays of continuous absence without calling in sick to the supervisor or without approved leave shall be deemed abandonment and shall result in termination as a voluntary resignation. This shall not require further district action; the unit member shall be provided the opportunity to demonstrate good cause to excuse his/her absence and failure to call in to the supervisor.

9.3.1.23 Knowingly providing in electronic, verbal or written manner confidential employee and/or student records or information to an unauthorized person or persons.

9.4 Guidelines for Disciplinary Action

9.4.1 The following guidelines shall be recognized in the discipline and/or dismissal of unit members:

9.4.1.1 The District rules, regulations and policies shall be reasonable and related to the efficient or safe operation of the District.

9.4.1.2 Rules, orders and penalties should be applied fairly and equitably.
9.4.1.3 Disciplinary action should be appropriate and reasonably related to the nature of the offense.

9.4.1.4 An employee is entitled to union representation at every step of the formal disciplinary process. The employee shall be notified of his/her right by the district.

9.5 Progressive Discipline

9.5.1 The parties recognize that disciplinary actions shall be progressive in nature if they are to correct the conduct of a unit member. The District agrees to follow a course of progressive discipline. It is understood, however, that progressive discipline does not follow any specific sequence of disciplinary actions, and that major offenses will be cause for immediate severe disciplinary actions, up to and including recommendation for dismissal without prior progressive discipline.

9.5.2 In taking disciplinary action, the District shall give due regard to the principle that like penalties should be imposed for like offenses, but it is understood as well that equality of treatment does not require uniformity of penalties. However, in taking disciplinary actions, the District will give due consideration to the evidence of mitigating or aggravating circumstances, the frequency and severity of the offense and any other factors or circumstances bearing upon the incidents or acts involved.

9.5.3 Except in emergency situations, as described in section 8, no disciplinary action involving suspension, demotion or discharge shall be taken against a unit member unless he/she has been informed in writing and in advance of the nature of the deficiency and the method or methods of correction, and has been afforded a reasonable opportunity, including a reasonable amount of time to correct the deficiency.

9.5.4 The elements of progressive discipline shall be administered in a timely manner.

9.5.5 No disciplinary action shall be taken for any cause which arose prior to the employee becoming permanent, nor for any cause which arose more than two (2) years preceding the date of the filing of the notice of cause, unless such cause was concealed or not disclosed by such employee when it could be reasonably assumed that the employee should have disclosed the facts to the District.

9.6 Disciplinary Procedure

9.6.1 Counseling

9.6.1.1 Generally, counseling is the initial disciplinary action. Counseling includes an informal discussion with employee designed to assist them
to fully develop their skills and abilities. Usually, the immediate supervisor verbally counsels the employee. The discussion may clarify standards, evaluate the employee’s strengths and weaknesses, seek information or solve problems. Even though most counseling is done verbally, managers and supervisors are to document the date, time, and content in the supervisor’s file for possible use in the employee’s annual evaluation or in support for further disciplinary action.

9.6.1.2 Counseling should be able to resolve the problem early and avoid the need to escalate to further action.

9.6.2 Verbal Reprimand

9.6.2.1 Supervisors give verbal reprimands when counseling has failed to produce the desired changes or when the employee’s conduct warrants a more substantial initial step. A verbal reprimand is different than counseling as it provides express notice that an employee’s performance or behavior must be improved or further discipline will be imposed. This is the beginning of the formal process. The reprimand should define the areas in which improvement is required, establish goals leading to this improvement, and inform the employee that failure to improve will result in more serious disciplinary action. As with counseling, the manager/supervisor should document the date, time and content of the warning.

9.6.3 Written Reprimand

9.6.3.1 A Written Reprimand is a formal notice to an employee that further disciplinary action will be taken unless his/her behavior or performance improves. The manager/supervisor should keep a copy of the written reprimand, provide a copy to the employee and file the original in the Human Resources official personnel file. The manager/supervisor should also advise the employee of any right to respond to the written reprimand within 10 working days.

9.7 Early Conference

9.7.1 An Early Conference is a process where a member from the Human Resources Department, or designee, whom is not currently involved in the disciplinary procedure, meets with both the employee and management to discuss the situation that led to a progressive discipline process and the results from the disciplinary procedure thus far. The intention of this meeting is to allow for one last conference session with all parties to discuss appropriate actions before a suspension or further discipline is imposed.
9.8 Suspension

9.8.1 Suspension is the temporary removal of an employee from his/her duties, usually without pay. It is often imposed in cases involving gross, egregious, or serious misconduct or repeat behavioral problems for which previous progressive discipline has been ineffective. Generally, a suspension is instituted after consulting with department management and the agency’s human resources professionals. Note that a suspension may trigger a Skelly hearing.

9.9 Skelly Hearing

9.9.1 The Skelly hearing process shall be followed as outlined by law.

9.9.2 The hearing shall be held within a reasonable period of time after the filing of a request for a hearing. The request for a hearing must be filed within five (5) workdays of the employee receiving notice of suspension.

9.9.3 When legally required the Skelly hearing shall be held before a representative of Human Resources, a supervisor, or an administrator appointed by the President/Superintendent who is a neutral party.

9.9.4 A representative of his/her choice may represent the employee at the hearing.

9.9.5 The Skelly Officer or designee shall render a written decision within ten (10) workdays.

9.9.6 The decision of the neutral party shall be submitted to the governing board for action.

9.10 Emergency Disciplinary Actions

9.10.1 A unit member may be removed from the work site and the District’s premises when there is an emergency. An emergency shall be deemed to exist when:

9.10.1.1 The District determines that a unit member’s continued presence would jeopardize the safety or welfare of students, the unit member or other unit members, other person or school property, or,

9.10.1.2 The District determines that a unit member’s continued presence would seriously disrupt the normal operation and activities of the work site.

9.10.2 The District shall place a unit member removed from a work site due to an emergency on Administrative Leave with Pay until proper procedures are completed for an unpaid suspension.
9.10.3 The District may propose a disciplinary action against a unit member on “emergency” Administrative Leave with Pay at any time.

9.10.4 When the district determines it is appropriate the unit member shall be given the opportunity to explain the conduct in question before being removed from the worksite.

9.10.5 An emergency shall not be declared based solely on arrest of a unit member, unless otherwise authorized by the Education Code.

**ARTICLE 10**

10.4.1.1 Following such notice to proceed to arbitration, and if the District and Union cannot agree within three (3) days on an individual to serve as arbitrator, they shall request an odd numbered list of experienced individuals from the California Conciliation Service or the American Arbitration Association. The individual shall be selected within five (5) days after receipt of the list using the alternate strike method until only one name remains.

10.4.1.2 Upon mutual agreement of the District and the Union, the arbitration shall proceed under the expedited rules of the American Arbitration Association and the arbitrator shall be notified of the request for expedited arbitration.

10.4.1.3 Without agreement to proceed under expedited arbitration rules, the dispute shall be arbitrated pursuant to the Voluntary Labor Arbitration Rules of the American Arbitration Association and the provisions of this Agreement. The Arbitrator's advisory decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted.

10.4.2 Motions to Dismiss

10.4.2.1 If a claim is raised as to the arbitration of a grievance, as a result of a violation of the terms of this Article, such claim shall be ruled on first by the arbitrator. At its option, and without prejudice, the District may have such a claim heard along with the merits of the case.

10.4.3 Limitations Upon the Arbitrator

10.4.3.1 The advisory decision of the arbitrator shall be based solely upon the evidence and arguments presented to him/her by the respective parties in the presence of each other, and upon arguments presented in briefs. The arbitrator shall have no power to alter, amend, change, add to or subtract
from any of the terms of this Agreement, but shall determine only
whether or not there has been a violation of the express term of this
Agreement in the respect alleged in the Grievance.

10.4.3.2 The Agreement constitutes a contract between the parties, which shall
be interpreted and applied by the parties and by the arbitrator in the same
manner as any other contract under the laws of the State of California.
The function and purpose of the arbitrator is to determine disputed
interpretation of terms actually found in the Agreement, or to determine
disputed facts upon which the application of the Agreement depends.
The arbitrator shall therefore not have authority, nor shall he/she
consider it his/her function to decide any issue not submitted or to so
interpret or apply the Agreement so as to change that which can fairly be
said to have been the intent of the parties as determined by generally
accepted rules of contract construction.

10.4.4 Arbitrator's Decision, Board Review

10.4.4.1 The Advisory decision of the arbitrator arrived at through the processes
noted herein shall be in the form of a written recommendation to the
Board of Trustees, with copies to the grievant and SEIU LOCAL 1021.
If neither the Superintendent nor SEIU LOCAL 1021 files a request to
the Board to undertake review of the advisory decision within ten (10)
days of its issuance, or if the Board declines such a request, then the
decision shall be deemed adopted by the Board and becomes final and
binding on all parties. If a timely request for review is filed with the
Board, by either the Superintendent or SEIU LOCAL 1021, and
accepted by the Board, it shall then undertake review of the entire
hearing record and briefs. The Board may also, if it deems it
appropriate, permit oral arguments by representatives of the parties, but
only in the presence of one another. Within twenty (20) days after
receiving the record, the Board shall render a decision on the matter,
which decision shall be final and binding on all parties, except as
provided in Section 10.4.2. If the Board does not render such a decision
within the time specified, then it shall be deemed to have adopted the
decision recommended by the arbitrator.

10.4.4.2 Nothing herein shall preclude SEIU LOCAL 1021 from filing a judicial
action against the District for breach of this Agreement in a case where
the arbitrator's award sustains the Association and the Board
subsequently fails to accept such recommendation or makes
modification thereto. In such instances, the District shall not assert as a
defense that the Association's utilization of the grievance and arbitration
procedure was the only proper remedy for resolution of the grievance.
In all other cases, the grievance and arbitration procedure described
above, is to be SEIU LOCAL 1021’s and the Grievant sole and final
remedy, for any claimed violation of any express term of this
Agreement.

10.4.5 Expenses

10.4.5.1 Each Party shall bear the expenses of the preparation and presentation of
its own case; all other fees and expenses of the arbitration proceedings
shall be paid by the party whose position is not sustained by the
arbitrator. In any instance, where there is a question of which position
has been sustained, the fees and expenses of the arbitration proceedings
shall be shared equally by the parties.

10.5 Failure to Meet Time Limits: If a grievance is not processed by the grievant in
accordance with the time limits set forth in this Article, it shall be considered settled on the basis
of the decision last made by the District. If the District fails to respond to the grievance in a
timely manner at any level, the running of the time limit shall be deemed a denial of the
grievance and termination of the level involved, and the grievant may proceed to the next step.

10.5.1 Time limits hereunder may be lengthened in any particular case only by mutual
written agreement.

10.6 Chapter Representation: The grievant shall be entitled upon request to representation by
SEIU LOCAL 1021 at all formal level grievance meetings. In situations where SEIU LOCAL
1021 has not been requested to represent the grievant, the District will not agree to a final
resolution of the grievance until SEIU LOCAL 1021 has received a copy of the grievance and
the proposed resolution, and has been given the opportunity to state its views on the matter. Ten
(10) days will be considered an opportunity in this instance.

10.7 Reasonable Released Time: Reasonable released time will be provided shop stewards for
purposes of representing the grievant pursuant to this Article (see 8.1.8).

10.8 Confidentiality: In order to encourage a timely and fair review of a grievance, it is
agreed that from the time a grievance is filed until it is processed through the procedure, neither
the grievant nor SEIU LOCAL 1021 nor the District shall make public either the grievance or
evidence regarding the grievance.
10.9 **Group Grievances:** Should SEIU LOCAL 1021 and the District feel that the significant characteristics of a number of individual grievances are sufficiently alike that it would be in the best interest of time to hear this group of grievances as one (1), they may mutually agree to do so. In such instances, a group grievance would be filed at Level II of the procedure.

**ARTICLE 11**

**HOURS AND OVERTIME**

11.1 **Workweek:** Except as provided herein the workweek shall consist of five (5) consecutive days of eight (8) hours per day and forty (40) hours per week. This Article shall not restrict the extension of the regular workday or workweek on an overtime basis when such is necessary to carry on the business of the District.

11.1.1 Except for unit members who agree or have agreed in writing, unit members currently working a Monday through Friday workweek shall not be required to alter their workweek.

11.2 **Alternative workweek:** Summer 4/10 and 4/9/4 workweek:

11.2.1 A voluntary four-day workweek (4/10) and 4/9/4 program will be offered every summer (the period between the end of the academic year and the beginning of the fall semester). The district will determine the exact start and end of the summer 4/10 program and will announce the parameters no later than April 1st each year. Employees will submit their choice of either their regular 5/8 work schedule, the 4/10 work schedule or the 4/9/4 schedule to their supervisor no later than April 30 each year.

11.2.2 Employees hired after July 1, 2010 will work a summer 4/10 or 4/9/4 workweek as determined. If such an employee has a medical inability to work an alternative work schedule, a reasonable accommodation will be discussed with the employee but will not include working 8 hours on a summer Friday.

11.2.3 The workweek for employees working the day shift will consist of four (4) workdays, scheduled between the hours of 5:00 AM and 7:00 PM with at least one half hour for lunch, Monday through Thursday. For employees choosing the 4/9/4 schedule, work on Fridays should commence by 5:00 AM and end no later than 12:00 Noon.

11.2.4 The workweek for employees working the swing shift will consist of four (4) workdays, scheduled between the hours of 1:00 PM to 11:00 PM with at least one half hour for lunch, Monday through Thursday. For employees choosing the
4/9/4 schedule work on Fridays should commence by 1:00 PM and end no later than 4:00 PM

11.2.5 The District may make individual adjustments of hours and work days should the District determine that the above work schedules are not compatible with specific department needs, (e.g., Facilities, IT, Security, Student Services). If a supervisor requires an employee to work on summer Fridays, they will be assigned a different day of the week to be off.

11.2.6 Employees who select to one of the alternative work schedules may select accrued paid or unpaid time off to cover time not worked. The district will advance vacation time if an employee does not have sufficient time accumulated.

11.2.7 Part-time employees shall have their hours pro-rated as necessary

11.2.8 When a holiday falls during the summer schedule, the holiday will be paid following the assigned number of hours for a workday. For example, ten (10) hours for a summer 4/10 schedule, eight (8) hours for a summer 5/8 schedule, the respective daily hours for the day a holiday falls on for a summer 4/9/4 schedule, and prorated accordingly for part-time unit members.

11.2.9 An employee who agrees to follow an alternate summer schedule shall complete the summer schedule as planned.

11.2.10 The summer schedule will be administered in compliance with applicable state and federal wage and hour laws.

11.3 Alternative work schedule for the Campus Police Services, Safety and Security

11.3.1 Options for an alternative work schedule are: 5/8 and 4/10.

11.3.1.1: 5/8 Work Schedule: The workweek will consist of five (5) workdays, consisting of an eight (8) hour shift with a one-half (1/2) hour paid lunch period within the shift.

11.3.1.2: 4/10 Work Schedule: The workweek will consist of four (4) workdays, consisting of ten (10) hour work days, with a one-half (1/2) hour paid lunch period within the shift.

11.3.2 The current Alternative 4/10 work schedule will be discontinued effective July 1, 2017. Employees currently working a 4/10 work schedule will be grandfathered in and will continue with this schedule, unless the employee determines that he/she wants to work a regular 5/8 schedule. Once the employee changes from a 4/10 schedule, the employee will no longer be considered “grandfathered” for the 4/10
schedule. As of July 1, 2017, there are two (2) Campus Police Officers working the 4/10 schedule.

11.3.3 Holidays: For the two (2) employees currently working the 4/10 schedule year-round (as described in 11.3), when a holiday falls during the 4/10 year-round schedule, the holiday will be paid following the assigned number of hours considered a workday. For instance, the 4th of July falls on a Monday and the employee is normally scheduled to work on Mondays; the employee will receive 10 hours holiday pay and will not have to use 2 hours of accrued leave to cover the remaining work hours, and the work week will remain a 4/10 schedule. If the employee is not normally scheduled to work on Mondays, the employee will earn 8 hours of holiday time to use in lieu. In lieu time must be used in the same fiscal year of the holiday, not to be carried over or cashed out.

11.3.4 Overtime: All overtime hours for those following an alternative work schedule will be compensated after the agreed to scheduled number of hours per day (for example: after 10 hours per day if working the 4/10 schedule) or over 40 hours per week.

11.3.5 Changes in Schedule: Selected alternative work schedules may only be changed for the following reasons:
   1. Employee hardship
   2. Operational necessity and District need

Changes in schedule based on hardship may only be made with a discussion with the Chief, or designated official, and Human Resources.

11.3.6 Sick, bereavement, industrial injury, personal business, vacation, or necessity leaves will be reported on an hourly basis up to the scheduled amount the employee is working (i.e. should an employee who is following the 4/10 schedule call in sick for the day, the employee will report 10 hours of sick leave on their Absence Report).

11.3.7 Employees who select the 4/10 alternative work schedule but work less than ten (10) hours per day may select one of the following options to cover time not worked, with manager’s/supervisor’s approval:

   1. Use earned compensatory time
   2. Use accrued vacation
   3. Use floating personal day
   4. Apply for “leave without pay”

11.4 The District has the right to implement an alternative work schedule based on the needs of the District. The District will provide 45 days of a proposed schedule change and will meet
and negotiate the changes upon the request of SEIU. This section does not include temporary changes for operational needs.

11.5 Workday: The length of the workday shall be designated by the District for each classified assignment consistent with the provisions set forth in this Agreement. Each bargaining unit employee shall be assigned a fixed, regular and ascertainable minimum number of hours upon hire.

11.6 Lunch Periods: All employees, excluding night shift employees and campus police, covered by this Agreement shall be entitled to an uninterrupted, unpaid lunch period after the employee has been on duty for at least four (4) hours. The length of time for such lunch period shall be for a period of no longer than one (1) hour nor less than one-half (1/2) hour and shall be scheduled, for full-time employees, at or about the midpoint of each work shift. In the event the lunch period is interrupted necessitating the employee to attend to an emergency which has been approved by the supervisor and which cannot be avoided or scheduled at a later time, the employee shall be provided with one of the following options:

11.6.1 To extend the lunchtime to include the time which the employee would have had if there had not been an interruption. At least one-half (1/2) hour of the total combined lunch time either prior to or and after the interruption must be uninterrupted.

11.6.2 Compensatory time for lunch later in that day at the rate of one and one-half (1-1/2) times the length of time of the interruption.

11.6.3 At the option of the manager/administrator, overtime pay at the rate of time and one-half (1-1/2) for the period of time of the interruption.

11.6.4 Night shift employees, campus police and safety officers shall work an eight (8) hour shift with a one-half (1/2) hour paid lunch period within the shift.

11.6.5 Employees whose assigned time is five (5) hours or less per day may elect to work their total shift without a lunch period with the prior approval of the supervisor.

11.7 Rest Periods: All bargaining unit employees shall be granted rest periods which, insofar as practicable, shall be in the middle of each work period at the rate of fifteen (15) minutes per four (4) hours worked or major fraction thereof. Specified periods may be designated by the supervisor when the operations of the District require someone to be present at the employee's work site at all times. In other cases, the times for such rest periods shall be mutually agreed upon between employees and their supervisors; if not, the times will be set by the supervisor. Rest periods are a part of the regular workday and shall be compensated at the regular rate of pay for the employee.
11.7 **Minimum Call-In Time:** Any employee called in to work on a day when the employee is not scheduled to work shall receive a minimum of two (2) hours pay at the appropriate rate of pay under this Agreement or compensatory time off as appropriate.

11.8 All overtime must be authorized. Except as otherwise provided herein, all overtime hours shall be compensated at a rate of pay equal to time-and-one-half the regular rate of pay of the employee for all work assigned. Overtime is defined to include any assigned time work in excess of eight (8) hours in one (1) day or in any twenty-four (24) hour period or in excess of forty (40) hours in any calendar week, whether such hours are worked prior to the commencement of a regularly assigned starting time or subsequent to the assigned quitting time.

11.9 All hours worked beyond the work week of five (5) days (a sixth consecutive work day) in any calendar week shall be compensated at the overtime rate commencing on the sixth (6th) day of the workweek, regardless of the length of assigned work day. The overtime rate shall be paid if a seventh (7th) consecutive day is worked within the workweek. A calendar week is defined as any consecutive seven (7) day period.

11.10 All hours worked on a holiday designated by this Agreement shall be compensated at one and one-half the employee’s regular rate of pay. In addition, the employee shall receive regular pay unless he/she is provided a substitute holiday.

11.10.1 All hours assigned and worked on a holiday, designated by this Agreement, in excess of eight (8) hours, shall be compensated at two(2) times the employee’s regular rate of pay.

11.11 Employees not scheduled to work on a holiday will be entitled to take another day off “in-lieu” of the holiday.

11.12 Compensatory time off may be authorized for overtime work in lieu of cash compensation. Such time off will be granted at the appropriate overtime rate. Compensatory time off shall be granted within three (3) calendar months following the month in which the overtime was worked and without impairing the services of the College. This is to comply with Department of Labor laws.

11.13 **Minimum Call-In Time:** Any employee called in to work on a day when the employee is not scheduled to work shall receive a minimum of two (2) hours pay at the appropriate rate of pay under this Agreement or compensatory time off as appropriate.

11.14 **Off-Duty Phone Calls:** Any unit member telephoned, texted, or required to respond via any communication means by the unit member’s supervisor, management, or a contract service provider with a question relating to work when the communication call occurs outside of the unit member’s work hours shall be paid for the actual time involved in the telephone call, rounded up
to the closest payroll increment (which is .25) at the appropriate rate of pay under this Agreement.

11.14.1. A telephone call from the supervisor requesting that the unit member work overtime is not work time and will not be compensated.

ARTICLE 12
UNIFORMS

12.1 Should the District require the wearing of a distinctive uniform by members of the bargaining unit, represented by SEIU LOCAL 1021, the cost of the purchase, lease or rental of uniforms, equipment, identification badges, emblems, and cards as required by the District shall be borne by the District.

12.2 Employees required to wear uniforms are required to wear the uniforms at all times while on duty. Employees who fail to wear the required uniforms while on duty, or who misuse or abuse the garments, may be subject to disciplinary action.

14.5. It is understood and agreed that the beginning and ending dates of the 22 or 44 consecutive days off may be adjusted by the District in order to meet work requirements.

14.6 Once an employee has elected to be brought under the provisions of this section, such election shall not be revocable until the commencement of the next ensuing fiscal year. However, in the event any employee leaves the service of the district by death or otherwise before receiving such monies as may be due him/her, the amount due him/her shall be paid within 30 days of the last working day to him/her or any other person entitled thereto by law.

ARTICLE 15
HEALTH AND WELFARE BENEFITS
15.1. The District shall provide medical, dental, vision, short/long term disability insurance and $30,000 Term Life Insurance for eligible employees and their families.

15.1.1 Medical

**Effective July 1, 2015**, the District will have a 2-tier monthly health insurance premium District contribution.

**Employees hired prior to July 1, 2015 (current employees) will be 1st Tier:**
The District will maintain its monthly health insurance premium contribution for each employee to pay the full cost of health insurance coverage up to a maximum District contribution of $1492.79. This group of employees will be receiving 1st Tier contributions.

**Employees hired on or after July 1, 2015 (new employees) will be 2nd Tier:**
The District will provide a monthly health insurance premium contribution for each employee to pay the full cost of health insurance coverage up to a maximum District contribution of **$1,200**. This group of employees will be receiving 2nd Tier contributions.

If an employee selects a health insurance plan and coverage with a monthly premium above the applicable District contribution amount, the employee will pay the amount above the District contribution amount as a payroll deduction.

The parties agree that PERSCARE PPO will no longer be offered to employees as of Open Enrollment in 2011. Employees currently enrolled in PERS CARE will be grandfathered and subjected to the district’s medical cap as applicable.

**Cash-in-lieu of benefits:**
Effective January 1, 2017, the District will no longer offer a cash-in-lieu option and current members that participate in cash-in-lieu, will be grandfathered and will receive the current cash-in-lieu amount of $500 monthly as an additional wage line item. Should the grandfathered member later enroll in a District medical plan, the cash-in-lieu amount will be removed from a wage line item and will not be reapplied in the future.

15.1.1.1 The District agrees to explore by meeting and discussing with a committee of SEIU representatives, the subject of health and welfare benefits on an
annual basis as the parties recognize that the rates of such benefits may not be available during contract negotiations. If the applicable rates are available during contract negotiations, the parties agree to come to an agreement during that period. However, in the absence of an agreement, this subject may be included during the next reopener negotiations at the request of either party.

15.2 Eligibility

15.2.1 For purposes of this Article all employees shall be deemed to be full-time employees, if they are scheduled to work eight (8) hours per day and are in a paid status ten (10) or more months each year.

Part-time unit members shall be defined as those working less than eight (8) hours but four (4) or more hours per day. Such employees shall receive pro-rated medical, dental, or vision insurance coverage and will have prorated membership in the retirement and other applicable benefits. Pro-ration for medical premium will be based on the cost of the premium, not to exceed the pro-rated district cap. For example, if a part-time employee is hired into a 50% position and the district cap for full-time employees is $1,200; the part-time employee’s cap would be 50% of the full-time employee’s cap, which would be $600.00. A part-time employee in this example, who chooses a medical plan that cost $700, will pay $100.00 out-of-pocket.
