

Spring 2020 Academic Calendar Footnotes

Students are responsible for class prerequisites, academic calendar deadlines, services information, and registration procedures.

Note 1

Use the following percentages to calculate deadlines for classes that meet *more or less than* the full term:

Last day to drop with a refund	.10% of class meeting times
Last date to add	.20% of class meeting times
Last date to drop a class without a W (Census Date)	.20% of class meeting times
Last date to apply for pass/no pass	.30% of class meeting times
Last date to drop with a W	.75% of class meeting times

If the class meets for 10 meetings or less, the class must be dropped prior to start of class in order to be eligible for a refund.

Note 2

The non-resident tuition and enrollment fees differ from resident fees. The deadline to drop with a refund also differs. Please see the fees chart on page 23 for information concerning non-resident tuition refund deadlines.

Note 3

The application for a degree and/or certificate (associate in arts degree, associate in science degree, or certificate of achievement) is available from and must be submitted to the Office of Admissions and Records. Applications received after the deadline will be processed for the next term.
