NATURAL RESOURCE CONSERVATION AND MANAGEMENT

Certificate of Accomplishment in Natural Resource Conservation and Management

Requirements for Certificate of Accomplishment:

- a) Complete satisfactorily the courses listed for the particular certificate.
- b) Complete at least 50% of the required units at Ohlone College.
- c) Maintain a 2.0 grade point average.

Natural resource management and conservation is congruent with the concept of sustainable development, a scientific principle that forms a basis for sustainable global land management and environmental governance to conserve and preserve natural resources. The Certificate of Accomplishment in Natural Resource Conservation and Management is designed to educate students in the art and science of applied ecological knowledge to aid in managing natural resources, energy, and agriculture. Courses in the program dedicate portions of the class to field trips, lab exercises, and demonstrations of field techniques.
