

CURRICULUM GUIDE 2012-2013

PHLEBOTOMY

Certificate of Accomplishment in Phlebotomy

Requirements for Certificate of Accomplishment:

- a) Complete satisfactorily the courses listed for the particular certificate.
- b) Complete 100% of the required units at Ohlone College.
- c) Complete all courses with a grade of C or better.

PHLEBOTOMY

The Health Sciences and Environmental Studies Division offers a certificate program in phlebotomy that meets all of the Department of Health Services regulations (AB 1557) that became effective in January 2002. This program is approved by the Department of Health Services for the courses that include theory and lab practice plus a 108-hour externship. No transfer courses from other institutions are accepted for this certificate. Completion of this certificate allows students to sit for the A.S.P.T. exam as required by California State Bill AB 1557. All courses must be passed at Ohlone College with at least a grade of C to earn the certificate.

Student Learning Outcomes

1. Apply knowledge of medical terminology when performing the duties of a certified Phlebotomy Technician.
2. Define the scope and practices of a certified Phlebotomy Technician.
3. Demonstrate safe techniques while drawing blood from a variety of patients.
4. Demonstrate knowledge and skill set needed to fulfill the state requirements for practice as a certified Phlebotomy Technician.
5. Complete successfully 50 venipunctures and 10 skin sticks on live patients as required by California State law.
