CONSENT

OHLONE COMMUNITY COLLEGE DISTRICT

MEMORANDUM

TO:          Board of Trustees
FROM:       Gari Browning
DATE:      March 9, 2011
SUBJECT: Approval of Interjurisdictional Exchange (IJE) Agreement – Contract C10-0056
Mark Wade Lieu

For the past several years the California Community College Chancellor’s Office has been coordinating a system-wide Basic Skills Initiative aimed at enhancing student success rates. The point person for the initiative at the Chancellor’s office has retired and they would like to replace that position for the next 18 months through an Inter-Jurisdictional Exchange with one of the colleges. They would like one of our faculty members, Mark Wade Lieu to be assigned to them as the Basic Skills Initiative Coordinator for the 2011 spring semester and the 2011-12 academic year. This is a great opportunity for Mr. Lieu and a great honor for Ohlone.

An Interjurisdictional Exchange (IJE) Agreement between the California Community College Chancellor’s Office needs to be approved and entered into with the district in order for Mr. Lieu to serve as the Basic Skills Initiative Coordinator for the 2011 spring semester and the 2011-2011 academic year. The purpose of the agreement is to temporarily transfer Mr. Lieu to the Chancellor’s office to serve as Specialist, Academic Programs (Basic Skills), and to have the Chancellor’s office reimburse the district for the cost of Mr. Lieu’s salary and benefits for spring 2011, fall 2012 and spring 2012.

RECOMMENDATION:
The President/Superintendent recommends approval of The Inter-Jurisdictional Exchange (IJE) agreement between the California Community College Chancellor’s Office and Ohlone College for spring 2011, fall 2011 and spring 2012; to transfer Mr. Lieu to the Chancellor’s office on a full-time basis to function as a Specialist, Academic Affairs effective spring 2011.
