7.1 Probationary employees, (except campus police personnel), shall be evaluated by their immediate supervisor after the third (3rd) month and the fifth (5th) month of employment. The fifth (5th) month evaluation is the final probationary evaluation, and it shall be the immediate supervisor's responsibility to indicate, in writing, a statement of recommendation for or against permanency. The probationary period is six (6) months, after which the employee shall become a permanent employee.

8.1.8.4 Any such release time shall be subject to the work requirements of the involved employees and the District.

ARTICLE IX

DISCIPLINE AND DISMISSAL OF PERMANENT UNIT MEMBERS

9.1 This Article applies only to permanent unit members. A probationary employee can be terminated without cause and without any of this process. A probationary employee may be terminated, at any time, at the sole discretion of the District and without the right to a hearing.

9.2 Definition
9.2.1 Any employee designated as a permanent employee shall be subject to disciplinary action only for reasonable cause. “Cause” relating to disciplinary action against classified employees means those grounds for discipline, or offenses, enumerated in the law and written rules, regulations and policies of the District.

9.2.2 Discipline is defined as suspension, demotion, involuntary transfer, involuntary reduction in hours or pay, and termination/dismissal.

9.2.2.1 Written and verbal reprimands are not considered discipline.

9.2.3 The principals of progressive discipline shall apply. Progressive discipline should generally be utilized when disciplining public employees, except when the employee presents a risk of harm, danger, or injury or when the violation is illegal.

9.2.4 Discipline and dismissal of permanent unit members shall take place in accordance with the appropriate provisions of Education Code section 88013.

9.3 Causes for Discipline

9.3.1 A permanent member of the classified service shall be subject to disciplinary action, including, but not limited to, reduction in pay, demotion, suspension, or discharge. Causes for discipline are in accordance with Board Policy 7365, Education Code and any applicable law. Causes for discipline include but are not limited to:

9.3.1.1 Fraud in securing employment or making a false statement on an application for employment or any false statement on any document related to Ohlone.

9.3.1.2 Incompetence, i.e., inability to comply with the minimum standard of an employee's position.

9.3.1.3 Inefficiency or inexcusable neglect of duty, i.e., failure to perform duties required of an employee in the position.

9.3.1.4 Willful disobedience and insubordination, a failure to submit to duly appointed and acting supervision, conform to duly established orders or directions of, or insulting, undermining or demeaning the authority of a supervisor or manager.

9.3.1.5 Dishonesty involving employment.
9.3.1.6 Being impaired by or under the influence of alcohol or illegal drugs or narcotics while on duty, which could impact the ability to do the job.

9.3.1.7 Excessive absenteeism.

9.3.1.8 Unexcused absence without leave.

9.3.1.9 Abuse or misuse of sick leave.

9.3.1.10 The conviction of either a misdemeanor or a felony involving moral turpitude shall constitute grounds for dismissal of any employee. The record of conviction shall be conclusive evidence of the fact that the conviction occurred. A plea or verdict of guilty, or a conviction showing a plea of nolo contendere made to a charge, a felony, or any offense involving moral turpitude, is deemed to be a conviction within the meaning of this Section.

9.3.1.11 Discourteous treatment of the public, students, vendors or other employees.

9.3.1.12 Improper or unauthorized use of District property.

9.3.1.13 Refusal to subscribe to any oath or affirmation, which is required by law in connection with District employment.

9.3.1.14 Any willful act of conduct undertaken in bad faith, either during or outside of duty hours which is of such a nature that it causes discredit to the District, the employee's department or division.

9.3.1.15 Inattention to duty, tardiness, indolence, carelessness or negligence in the care and handling of District property.

9.3.1.16 Mental or physical impairment, which renders the employee unable to perform the essential functions of the job despite reasonable accommodation or which presents a direct threat to the health and safety of self or others.

9.3.1.17 Acceptance from any source of a bribe, reward, gift, or other form of remuneration in addition to regular compensation to an employee for the performance of his or her official duties.

9.3.1.18 The refusal of any employee of the District to testify under oath before any court, grand jury, or administrative officer having jurisdiction over any then pending cause of inquiry in which the District is involved.
Violation of this provision may constitute of itself sufficient ground for the immediate discharge of such employee.

9.3.1.19 Willful violation of policies, procedures and other rules, which may be prescribed by the District, college(s) or departments.

9.3.1.20 Working overtime without authorization.

9.3.1.21 Abandonment of post, without authorization from his/her supervisor; the unit member shall be provided the opportunity to demonstrate good cause to excuse his/her absence and failure to call in to the supervisor.

9.3.1.22 Abandonment of position. Five of the affected unit member’s workdays of continuous absence without calling in sick to the supervisor or without approved leave shall be deemed abandonment and shall result in termination as a voluntary resignation. This shall not require further district action; the unit member shall be provided the opportunity to demonstrate good cause to excuse his/her absence and failure to call in to the supervisor.

9.3.1.23 Knowingly providing in electronic, verbal or written manner confidential employee and/or student records or information to an unauthorized person or persons.

9.4 Guidelines for Disciplinary Action

9.4.1 The following guidelines shall be recognized in the discipline and/or dismissal of unit members:

9.4.1.1 The District rules, regulations and policies shall be reasonable and related to the efficient or safe operation of the District.

9.4.1.2 Rules, orders and penalties should be applied fairly and equitably.

9.4.1.3 Disciplinary action should be appropriate and reasonably related to the nature of the offense.

9.4.1.4 An employee is entitled to union representation at every step of the formal disciplinary process. The employee shall be notified of his/her right by the district.

9.5 Progressive Discipline

9.5.1 The parties recognize that disciplinary actions shall be progressive in nature if they are to correct the conduct of a unit member. The District agrees to follow a
course of progressive discipline. It is understood, however, that progressive discipline does not follow any specific sequence of disciplinary actions, and that major offenses will be cause for immediate severe disciplinary actions, up to and including recommendation for dismissal without prior progressive discipline.

9.5.2 In taking disciplinary action, the District shall give due regard to the principle that like penalties should be imposed for like offenses, but it is understood as well that equality of treatment does not require uniformity of penalties. However, in taking disciplinary actions, the District will give due consideration to the evidence of mitigating or aggravating circumstances, the frequency and severity of the offense and any other factors or circumstances bearing upon the incidents or acts involved.

9.5.3 Except in emergency situations, as described in section 8, no disciplinary action involving suspension, demotion or discharge shall be taken against a unit member unless he/she has been informed in writing and in advance of the nature of the deficiency and the method or methods of correction, and has been afforded a reasonable opportunity, including a reasonable amount of time to correct the deficiency.

9.5.4 The elements of progressive discipline shall be administered in a timely manner.

9.5.5 No disciplinary action shall be taken for any cause which arose prior to the employee becoming permanent, nor for any cause which arose more than two (2) years preceding the date of the filing of the notice of cause, unless such cause was concealed or not disclosed by such employee when it could be reasonably assumed that the employee should have disclosed the facts to the District.

9.6 Disciplinary Procedure

9.6.1 Counseling

9.6.1.1 Generally, counseling is the initial disciplinary action. Counseling includes an informal discussion with employee designed to assist them to fully develop their skills and abilities. Usually, the immediate supervisor verbally counsels the employee. The discussion may clarify standards, evaluate the employee’s strengths and weaknesses, seek information or solve problems. Even though most counseling is done verbally, managers and supervisors are to document the date, time, and content in the supervisor’s file for possible use in the employee’s annual evaluation or in support for further disciplinary action.

9.6.1.2 Counseling should be able to resolve the problem early and avoid the need to escalate to further action.
9.6.2 Verbal Reprimand

9.6.2.1 Supervisors give verbal reprimands when counseling has failed to produce the desired changes or when the employee’s conduct warrants a more substantial initial step. A verbal reprimand is different than counseling as it provides express notice that an employee’s performance or behavior must be improved or further discipline will be imposed. This is the beginning of the formal process. The reprimand should define the areas in which improvement is required, establish goals leading to this improvement, and inform the employee that failure to improve will result in more serious disciplinary action. As with counseling, the manager/supervisor should document the date, time and content of the warning.

9.6.3 Written Reprimand

9.6.3.1 A Written Reprimand is a formal notice to an employee that further disciplinary action will be taken unless his/her behavior or performance improves. The manager/supervisor should keep a copy of the written reprimand, provide a copy to the employee and file the original in the Human Resources official personnel file. The manager/supervisor should also advise the employee of any right to respond to the written reprimand within 10 working days.

9.7 Early Conference

9.7.1 An Early Conference is a process where a member from the Human Resources Department, or designee, whom is not currently involved in the disciplinary procedure, meets with both the employee and management to discuss the situation that led to a progressive discipline process and the results from the disciplinary procedure thus far. The intention of this meeting is to allow for one last conference session with all parties to discuss appropriate actions before a suspension or further discipline is imposed.

9.8 Suspension

9.8.1 Suspension is the temporary removal of an employee from his/her duties, usually without pay. It is often imposed in cases involving gross, egregious, or serious misconduct or repeat behavioral problems for which previous progressive discipline has been ineffective. Generally, a suspension is instituted after consulting with department management and the agency’s human resources professionals. Note that a suspension may trigger a Skelly hearing.

9.9 Skelly Hearing
9.9.1 The Skelly hearing process shall be followed as outlined by law.

9.9.2 The hearing shall be held within a reasonable period of time after the filing of a request for a hearing. The request for a hearing must be filed within five (5) workdays of the employee receiving notice of suspension.

9.9.3 When legally required the Skelly hearing shall be held before a representative of Human Resources, a supervisor, or an administrator appointed by the President/Superintendent who is a neutral party.

9.9.4 A representative of his/her choice may represent the employee at the hearing.

9.9.5 The Skelly Officer or designee shall render a written decision within ten (10) workdays.

9.9.6 The decision of the neutral party shall be submitted to the governing board for action.

9.10 Emergency Disciplinary Actions

9.10.1 A unit member may be removed from the work site and the District’s premises when there is an emergency. An emergency shall be deemed to exist when:

9.10.1.1 The District determines that a unit member’s continued presence would jeopardize the safety or welfare of students, the unit member or other unit members, other person or school property, or,

9.10.1.2 The District determines that a unit member’s continued presence would seriously disrupt the normal operation and activities of the work site.

9.10.2 The District shall place a unit member removed from a work site due to an emergency on Administrative Leave with Pay until proper procedures are completed for an unpaid suspension.

9.10.3 The District may propose a disciplinary action against a unit member on “emergency” Administrative Leave with Pay at any time.

9.10.4 When the district determines it is appropriate the unit member shall be given the opportunity to explain the conduct in question before being removed from the worksite.

9.10.5 An emergency shall not be declared based solely on arrest of a unit member, unless otherwise authorized by the Education Code.
ARTICLE X
GRIEVANCE PROCEDURE

10.1 General Provisions

10.1.1 A grievance is defined as a formal written statement by a unit member that the District has violated an express term of this Agreement and that by reason of such violation; his/her rights have been adversely affected. All other matters and disputes of any nature are beyond the scope of these procedures. Additional matters indicated elsewhere in this agreement, are excluded from these procedures.

10.1.2 An officer/Job Steward of SEIU LOCAL 1021 may file a grievance on behalf of SEIU LOCAL 1021 if he/she believes the District has violated an express term of Agreement.

10.1.3 The Respondent in all cases shall be the District itself, rather than any individual. The District may be represented by an appropriate Line Administrator. The filing or pendency of a grievance shall not delay or interfere with implementation of any District action during the processing thereof.

10.1.4 A "Day" is a day in which the central administration office of the District is open for business.

10.2 Informal Stage: Before filing a formal written grievance, the Grievant shall have the option to attempt to resolve the problem through informal discussion with his/her immediate supervisor.

10.3 Formal Stage:

10.3.1 Level I

10.3.1.1 Within twenty (20) days (ten (10) days if 9.2 is not utilized) after the occurrence of the act or omission giving rise to the grievance, or within twenty (20) days (ten (10) days if 9.2 is not utilized) of when the grievant or SEIU LOCAL 1021 could reasonably have known of the act or omission, the grievant must present his/her grievance in writing to the immediate supervisor.

10.3.1.2 The written statement shall be a clear, concise statement of the grievance, including the specific provisions of this Agreement alleged to have been
violated, the circumstances involved, the date and time of the informal conference, and the specific remedy sought.

10.3.1.3 Either Party may request a personal conference with the other party. The immediate management supervisor shall communicate a decision to the grievant in writing within ten (10) days after receiving the grievance and such action will terminate Level I.

10.3.2 Level II

10.3.2.1 In the event the grievant is not satisfied with the decision at Level I, the grievant may appeal the decision in writing to the Human Resources office within ten (10) days after the termination of Level I.

10.3.2.2 This Statement shall include a copy of the original Grievance, the decision rendered at Level I, and a clear, concise statement of the reasons for the appeal. Either the grievant or the Human Resources office or designee may request a personal conference.

10.3.2.3 The Human Resources office or designee shall communicate a decision within ten (10) days after receiving the appeal and such a decision will terminate Level II.

10.3.3 Level III

10.3.3.1 In the event the grievant is not satisfied with the decision at Level II, the grievant may appeal the decision in writing to the President/Superintendent within ten (10) days after termination of Level II.

10.3.3.2 This statement shall include a copy of the original grievance, the decision rendered at Level II, and a clear, concise statement of the reasons for the appeal. Either the grievant or the President/Superintendent or designee may request a personal conference.

10.3.3.3 The President/Superintendent or Designee shall communicate a decision within ten (10) days after receiving the appeal, and such a decision will Terminate Level III.

10.4 Advisory Arbitration: Should the grievance remain unresolved at Level III, the Union may, within fifteen (15) days following receipt of the Level III decision, provide written notice to the District to submit the matter to advisory arbitration.

10.4.1 Selection of Arbitrator
10.4.1.1 Following such notice to proceed to arbitration, and if the District and Union cannot agree within three (3) days on an individual to serve as arbitrator, they shall request an odd numbered list of experienced individuals from the California Conciliation Service or the American Arbitration Association. The individual shall be selected within five (5) days after receipt of the list using the alternate strike method until only one name remains.

10.4.1.2 Upon mutual agreement of the District and the Union, the arbitration shall proceed under the expedited rules of the American Arbitration Association and the arbitrator shall be notified of the request for expedited arbitration.

10.4.1.3 Without agreement to proceed under expedited arbitration rules, the dispute shall be arbitrated pursuant to the Voluntary Labor Arbitration Rules of the American Arbitration Association and the provisions of this Agreement. The Arbitrator's advisory decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted.

10.4.2 Motions to Dismiss

10.4.2.1 If a claim is raised as to the arbitration of a grievance, as a result of a violation of the terms of this Article, such claim shall be ruled on first by the arbitrator. At its option, and without prejudice, the District may have such a claim heard along with the merits of the case.

10.4.3 Limitations Upon the Arbitrator

10.4.3.1 The advisory decision of the arbitrator shall be based solely upon the evidence and arguments presented to him/her by the respective parties in the presence of each other, and upon arguments presented in briefs. The arbitrator shall have no power to alter, amend, change, add to or subtract from any of the terms of this Agreement, but shall determine only whether or not there has been a violation of the express term of this Agreement in the respect alleged in the Grievance.

10.4.3.2 The Agreement constitutes a contract between the parties, which shall be interpreted and applied by the parties and by the arbitrator in the same manner as any other contract under the laws of the State of California. The function and purpose of the arbitrator is to determine disputed interpretation of terms actually found in the Agreement, or to determine
disputed facts upon which the application of the Agreement depends. The arbitrator shall therefore not have authority, nor shall he/she consider it his/her function to decide any issue not submitted or to so interpret or apply the Agreement so as to change that which can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction.

10.4.4 Arbitrator's Decision, Board Review

10.4.4.1 The Advisory decision of the arbitrator arrived at through the processes noted herein shall be in the form of a written recommendation to the Board of Trustees, with copies to the grievant and SEIU LOCAL 1021. If neither the Superintendent nor SEIU LOCAL 1021 files a request to the Board to undertake review of the advisory decision within ten (10) days of its issuance, or if the Board declines such a request, then the decision shall be deemed adopted by the Board and becomes final and binding on all parties. If a timely request for review is filed with the Board, by either the Superintendent or SEIU LOCAL 1021, and accepted by the Board, it shall then undertake review of the entire hearing record and briefs. The Board may also, if it deems it appropriate, permit oral arguments by representatives of the parties, but only in the presence of one another. Within twenty (20) days after receiving the record, the Board shall render a decision on the matter, which decision shall be final and binding on all parties, except as provided in Section 10.4.2. If the Board does not render such a decision within the time specified, then it shall be deemed to have adopted the decision recommended by the arbitrator.

10.4.4.2 Nothing herein shall preclude SEIU LOCAL 1021 from filing a judicial action against the District for breach of this Agreement in a case where the arbitrator's award sustains the Association and the Board subsequently fails to accept such recommendation or makes modification thereto. In such instances, the District shall not assert as a defense that the Association's utilization of the grievance and arbitration procedure was the only proper remedy for resolution of the grievance. In all other cases, the grievance and arbitration procedure described above, is to be SEIU LOCAL 1021's and the Grievant sole and final remedy, for any claimed violation of any express term of this Agreement.
10.4.5 Expenses

10.4.5.1 Each Party shall bear the expenses of the preparation and presentation of its own case; all other fees and expenses of the arbitration proceedings shall be paid by the party whose position is not sustained by the arbitrator. 10.5 Failure to Meet Time Limits: If a grievance is not processed by the grievant in accordance with the time limits set forth in this Article, it shall be considered settled on the basis of the decision last made by the District. If the District fails to respond to the grievance in a timely manner at any level, the running of the time limit shall be deemed a denial of the grievance and termination of the level involved, and the grievant may proceed to the next step.

10.5.1 Time limits hereunder may be lengthened in any particular case only by mutual written agreement.

10.6 Chapter Representation: The grievant shall be entitled upon request to representation by SEIU LOCAL 1021 at all formal level grievance meetings. In situations where SEIU LOCAL 1021 has not been requested to represent the grievant, the District will not agree to a final resolution of the grievance until SEIU LOCAL 1021 has received a copy of the grievance and the proposed resolution, and has been given the opportunity to state its views on the matter. Ten (10) days will be considered an opportunity in this instance.

10.7 Reasonable Released Time: Reasonable released time will be provided shop stewards for purposes of representing the grievant pursuant to this Article (see 8.1.8).

10.8 Confidentiality: In order to encourage a timely and fair review of a grievance, it is agreed that from the time a grievance is filed until it is processed through the procedure, neither the grievant nor SEIU LOCAL 1021 nor the District shall make public either the grievance or evidence regarding the grievance.

10.9 Group Grievances: Should SEIU LOCAL 1021 and the District feel that the significant characteristics of a number of individual grievances are sufficiently alike that it would be in the best interest of time to hear this group of grievances as one (1), they may mutually agree to do so. In such instances, a group grievance would be filed at Level II of the procedure.
ARTICLE XI
HOURS AND OVERTIME

11.1 Workweek: Except as provided herein the workweek shall consist of five (5) consecutive
days of eight (8) hours per day and forty, (40) hours per week. This Article shall not restrict the
extension of the regular workday or workweek on an overtime basis when such is necessary to
carry on the business of the District.

11.1.1 Except for unit members who agree or have agreed in writing, unit members
currently working a Monday through Friday workweek shall not be required to
alter their workweek.

the fall semester). The district will determine the exact start and end of the
summer 4/10 program and will announce the parameters no later than April 1st
each year. Employees will submit their choice of either their regular 5/8 work
schedule, the 4/10 work schedule or the 4/9/4 schedule to their supervisor no later

one half hour for lunch, Monday through Thursday. For employees choosing the

11.2.4 The workweek for employees working the swing shift will consist of four (4)

4/9/4 schedule work on Fridays should commence by 1:00 PM and end no later
than 4:00 PM.

11.2.5 The District may make individual adjustments of hours and work days should the
District determine that the above work schedules are not compatible with specific
department needs, (e.g., Facilities, IT, Security, Student Services). If a supervisor
requires an employee to work on summer Fridays, they will be assigned a
different day of the week to be off.

11.2.6 Employees who select to one of the alternative work schedules may select accrued
paid or unpaid time off to cover time not worked. The district will advance
vacation time if an employee does not have sufficient time accumulated.

11.2.8 Part-time employees shall have their hours pro-rated as necessary

11.2.9 All holidays during the summer schedule will be credited at 8 hours.

11.2.10 An employee who agrees to follow an alternate summer schedule shall complete

such lunch period shall be for a period of no longer than one (1) hour nor less than one-half (1/2)
hour and shall be scheduled, for full-time employees, at or about the midpoint of each work shift.
In the event the lunch period is interrupted necessitating the employee to attend to an emergency
which has been approved by the supervisor and which cannot be avoided or scheduled at a later
time, the employee shall be provided with one of the following options:

11.3.1 To extend the lunchtime to include the time which the employee would have had
if there had not been an interruption. At least one-half (1/2) hour of the total combined
lunch time either prior to or and after the interruption must be uninterrupted.

11.3.2 Compensatory time for lunch later in that day at the rate of one and one-half
(1-1/2) times the length of time of the interruption or

one-half (1-1/2) for the period of time of the interruption.

Night shift employees, campus police and safety officers shall work an eight (8) hour
shift with a one-half (1/2) hour paid lunch period within the shift.

11.4 Rest Periods: All bargaining unit employees shall be granted rest periods which, insofar as practicable, shall be in the middle of each work period at the rate of fifteen (15) minutes per four (4) hours worked or major fraction thereof. Specified periods may be designated by the supervisor when the operations of the District require someone to be present at the employee's work site at all times. In other cases, the times for such rest periods shall be mutually agreed upon between employees and their supervisors; if not, the times will be set by the supervisor. Rest periods are a part of the regular workday and shall be compensated at the regular rate of pay for the employee.

11.6 All overtime must be authorized. Except as otherwise provided herein, all overtime hours shall be compensated at a rate of pay equal to time-and-one-half the regular rate of pay of the employee for all work assigned. Overtime is defined to include any assigned time work in excess of eight (8) hours in one (1) day or in any twenty-four (24) hour period or in excess of forty (40) hours in any calendar week, whether such hours are worked prior to the commencement of a regularly assigned starting time or subsequent to the assigned quitting time.

11.7 All hours worked beyond the work week of five (5) days (a sixth consecutive work day) in any calendar week shall be compensated at the overtime rate commencing on the sixth (6th) day of the workweek, regardless of the length of assigned work day. The overtime rate shall be paid if a seventh (7th) consecutive day is worked within the workweek. A calendar week is defined as any consecutive seven (7) day period.

21.1.3 While an employee is rendering service to the District and is not on leave, any period of actual physical disability caused or contributed to by pregnancy, miscarriage, abortion, childbirth and recovery there from, shall be treated as any other physical disability. Physical disability, for the purposes of this Article, shall be defined as a period during which the employee is unable to perform all job-related duties.

21.1.5 The period of disability shall be determined by the employee's physician/practitioner. The District may, at its option, obtain other medical opinion. Any period beyond, or in addition to, a period of physical disability, during which the employee wishes to remain away from the job, shall be treated as an unpaid leave of absence, however, the total period of such unpaid leave of absence both before and after the birth of the child shall not exceed five (5) months.

ARTICLE XXII

LEAVE OF ABSENCE FOR RETRAINING AND STUDY

22.1 The Board, at its sole discretion, may grant an unpaid or paid Professional Development Leave. The Board reserves the right to discontinue the paid Professional Development Leave program at any time if the program becomes financially burdensome and/or
conflicts with the district’s compliance with Education Code 84362 otherwise referred to as the 50 percent law.

22.1.1 The President/Superintendent reserves the right to determine whether the district will accept applications for the Professional Development Leave program in any given year.

22.1.2 The President/Superintendent has the right to deny applications for the paid Professional Development Leave at any time.

22.1.3 The President/Superintendent will consider the needs of the district including but not limited to: sufficient staffing, budget priorities, institutional needs, instructional needs of the students, or Education Code 84362 when granting a Professional Development leave.

22.2 To encourage and enable SEIU employees to enhance their value to the District through furthering their education, upgrading of their job skills, or retraining to keep up with technological or other changes, a Professional Development Leave of Absence is established.

22.3 An eligible employee may apply for a leave to complete interrupted studies, learn by observing methods used in industry or other educational institutions, or get a substantial start on a goal of better education.

22.4 After seven (7) years of continuous service in the District if the leave is for general study, and three years of continuous service in the District if the Leave is for retraining to keep up with technological and other changes; an employee is eligible to apply for such leave for up one year at fifty percent (50%) of full pay.

22.4.1 The compensation shall be paid the employee while on the leave of absence in the same manner as if the employee is in active working status for the district.

22.5 Such a leave shall be taken in separate six-month periods, rather than for a continuous one-year period; provided that the separate periods of the leave of absence shall commence and completed within a three-year period.

22.6 Leave shall not be granted for more than two (2) classified employees to be absent on study or retraining leave at any one time. The needs of the district (not seniority) may dictate preference if more than two (2) employees apply for Professional Development Leave.

22.7 No more than one (1) study or retraining leave of absence shall be granted to any employee in each five (5) year period.
22.8 Prior to consideration, applications for study or retraining leaves require a written submission by the employee of the total study or retraining plan, the institution which will be used by the employee, proof of acceptance in the program, detailed description of the program, courses, etc., a detailed description of the anticipated abilities, skills or knowledge the employee expects to acquire, a statement of how those abilities, skills or knowledge will benefit the District in the employee's future service, and the specific times of leave requested.

22.9 Completed applications must be submitted through the immediate supervisor for endorsement and be approved for submission to the Associate Vice President of Human Resources.

22.9.1 Applications are to be submitted no later than March 31st each year for leaves to commence during the following fiscal year.

22.10 An agreement that the employee agrees as a condition of the leave to render at least two (2) years of service in the employ of the District after completion of the study or retraining leave shall be attached to each request on the approved District form.

22.11 Applications endorsed by the immediate supervisor shall be submitted to the Associate Vice President of Human Resources and Training. Applications that are accepted will be recommended to the Board of Trustees by the President.

22.12 If the leave is granted the employee must agree in writing with SEIU as a witness to render a minimum of two (2) years of service to the District upon returning from a leave. Any period of service by the employee intervening between the separate leave periods shall count towards the two (2) years of service required.

22.13 Failure to render this service will require the employee to refund salary paid during the leave. The obligation to repay shall be exonerated in the event the failure of the employee to return and render two years' service is caused by the death or physical or mental disability of the employee. The obligation to repay will be negotiated if the employee is terminated from service involuntarily.

22.14 Upon returning from a leave, the employee shall submit a written report of the activities of the leave to the President/Superintendent, emphasizing the value to the District. The employee is expected to provide the district with an update of his/her progress during the Professional Development period every two (2) months.

22.15 Employees granted study or retraining leaves, shall perform services to the District during such leaves as the District may require as a condition of the grant.
22.16 During the leave the employee will be entitled to all the benefits afforded to SEIU employees, except that only fifty (50%) of service time will be credited by the Public Employees’ Retirement System. The employee may, however, arrange to make a contribution to the system to insure full service credit for the period of the leave. This contribution will consist of the balance of the contribution of the employee.

22.17 Any leave of absence granted under this article shall not be deemed a break in service for any purpose, except that such leave shall not be included as service in computing service for the granting of any subsequent leave under this article.

22.18 Employees on study or retraining leave shall not accumulate seniority, or earn or be entitled to use sick leave, vacation, holiday during the leave.

22.19 The Board of Trustees, in its sole discretion, and at its sole option, may terminate a study or retraining leave where the employee is deemed to have failed to comply with any requests of the District, or any provisions or conditions under which the leave was granted.

22.19.1 The district reserves the right to hire substitute employees to temporarily replace the absent employee in accordance with Education Code 88003.

ARTICLE XXIII

23.2.4 Certification of Need For Leave

23.2.4.1 In all cases involving the need for leave due to a serious health condition, unit members must provide certification from a health care provider (as defined in Government Code section 12945.2) specifying (1) the date on which the serious health condition commenced, (2) the probable duration of the condition, and (3) an estimate of the amount of time the unit member will require to care for the parent, child, or spouse. This statement shall also include a statement from the health care provider that the unit member's participation to provide care is warranted during the period of treatment of the seriously ill member of the immediate family, as defined in section 19.1.

23.2.4.2 In addition to the information described in section 23.2.4.1 above, certifications accompanying requests for leave due to the employee's own serious health condition shall include a statement from the health care provider that, due to the serious health condition, the employee is unable to perform the function of his/her position.

GUIDELINES:

If an employee would like to apply for the PG&D Program, he/she must fill out an application and submit it to his/her supervisor for approval. The employee is responsible for seeing that the application is forwarded on to the employee's Area Administrator for approval, then on to the SEIU Professional Growth Committee and the Human Resources Office for final approval.

If the Supervisor or Area Administrator denies the application, the application should still continue on to the SEIU Professional Growth Committee. The employee should make sure that the application is forwarded on to the Committee and the Personnel Office. The SEIU Professional Growth Committee is made up of unit members designated by the union. The Personnel Office will notify employees of their application's approval or denial.

If the application is denied at the Committee or Personnel Office level, the employee has one week to appeal it. The appeal board will consist jointly of the Committee and the Human Resources Office.

The Committee will meet 30 days before the semester begins to review all applicants, so all applications should be to the Committee before this date.
