MEMORANDUM

TO: Board of Trustees
FROM: Gari Browning
DATE: March 9, 2011
SUBJECT: Augmentation to #3-35 Health and Safety Project

The following augmentation proposal is being presented for approval by the Board of Trustees.

1) Measure A Bond Project #3-35.2-Science Modulars. Add $250,000 to the Science Modulars project. A budget augmentation is required to accommodate impacts of various unforeseen site conditions, additional inspections, additional design consultants, outside construction management services, additional technology etc. Note that site condition exposures may have not yet been fully identified and an additional augmentation may be required in the future.

To fund the above, project, $250,000 will be transferred from Measure A Bond Project #3-28, Renovate Vacated Space.

RECOMMENDATION

The President/Superintendent recommends that the Board of Trustees approve the augmentation of the budget for the Measure A Bond Project #3-35.2-Science Modulars in the amount of $250,000. Budget shall be transferred from Measure A Project #3-28 Renovate Vacated Space.
