The District and SEIU entered into a Memorandum of Understanding to amend Article XIV – Health and Welfare Benefits to provide an increased district contribution for medical benefits.

At the December 2010 Board meeting the Board approved a new contract between SEIU and the District. This action amends one article only contained in that contract. Article XIV (attached) amends the district contribution for medical benefits from $1,400.00 for Employee + Family to $1,447.83 for same. This proposed change was approved by SEIU membership.

RECOMMENDATION:
The President/Superintendent recommends approval of the Memorandum of Understanding to amend SEIU contract Article XIV to increase the district contribution for medical benefits at the EE + Family level to $1,447.83 effective February 1, 2011.
