

Welcome to the Ohlone College

e-Campus & Library/Learning Resource Center

e-Campus and Library Services are available to all staff and faculty on both Ohlone College campuses.

Library Services include:

- Developing subject-specific guides and library instruction for all subject areas and departments; to request an instruction session or LibGuide send an email to librarians@ohlone.edu.
- One-on-One student, staff, and faculty reference instruction sessions to assist with academic research and citation help.
- Access to all library materials, books, ebooks, databases, and media.
- Use of databases and e-books from off-campus (UserName: Staff or Student ID | PW: Last Name).
- Copy, printing, and scanning services for students.
- Instant Messaging and Email reference question services for students, staff and faculty.
- NOTE: Faculty and staff should check with their Dean/Manager regarding student meeting space, copying, and printing services.

e-Campus Services include:

- One-on-One Instruction sessions to assist with creating your content management system (Blackboard), or other similar applications for online, hybrid, and face-to-face courses.
- Assistance with planning, instructional design & development, and pedagogy, for best practices in online teaching/learning.
- Assistance with captioning and creating accessible online documents, video and use of teaching tools.
- Assistance with obtaining an Online Teaching Certification from @ONE <http://www.onefortraining.org/certification>
- To request e-Campus Services go to <http://help.ohlone.edu> and put in an online request or send an email to the ecampus@ohlone.edu. If you want to talk to someone from Ohlone's eCampus, please call (510) 659-6162.
