Following are summaries and information from policies and procedures which relate to student life. Students are advised to read carefully the catalog and class schedule for information about policies and procedures and to obtain full copies of the documents which may relate to their concerns.

Student Access to Records

Any student may request to review the contents of his or her academic file and may challenge the contents and accuracy of the records by requesting, in writing, a review of the records with the Dean, Enrollment Services. All Students at Ohlone College are expected to pursue their course work with integrity and honesty. The two most common kinds of academic dishonesty are cheating and plagiarism. Cheating is the act of obtaining or attempting to obtain credit for academic work through the use of dishonest, deceptive, or fraudulent means. Plagiarism is when students represent the work of someone else as their own—unauthorized collaboration, writings, or work of another—without citing the source. Students are responsible for knowing what constitutes academic dishonesty and for consulting with instructors about questions or concerns. Violations of academic dishonesty shall be cause for disciplinary action. Copies of the Academic Dishonesty Procedures are available from the Office of the Interim Vice President, Student Services in Building 7, Second Floor on the Fremont campus, and online at www.ohlone.edu/studentservices/academicdishonesty.

Academic Dishonesty and Its Consequences

Students at Ohlone College are expected to pursue their course work with integrity and honesty. The two most common kinds of academic dishonesty are cheating and plagiarism. The act of obtaining or attempting to obtain credit for academic work through the use of dishonest, deceptive, or fraudulent means. Plagiarism is when students represent the work of someone else as their own—unauthorized collaboration, writings, or work of another—without citing the source. Students are responsible for knowing what constitutes academic dishonesty and for consulting with instructors about questions or concerns. Violations of academic dishonesty shall be cause for disciplinary action. Complaint Procedures

Ohlone College encourages prompt reporting of complaints so that rapid response and appropriate action may be taken. Information on the process, timelines, and forms to make an informal or formal complaint is available from the Office of the Interim Vice President, Student Services located in Building 7, Second Floor on the Fremont campus.

Students may file a complaint when they believe that a College faculty or staff member has violated College rules, policies, or procedures, or other local, state, or federal laws including the Civil Rights Act; Title IX of the Education Amendments of 1972; the Rehabilitation Act of 1973 (Sections 503 and 504); the Americans with Disabilities Act of 1990; Executive Orders 11246 and 11375; the Vietnam Era Veterans Readjustment Act of 1974; the Age Discrimination and Employment Act of 1967; and the non-discrimination laws of the State of California.

The California Community Colleges Chancellor’s Office also serves as a resource to students wishing to resolve complaints or grievances. The link to the process and form is at http://californiacommunitycolleges.cccco.edu/complaintsform.aspx.

Following is a list of types of complaints considered under these procedures.

Academic Complaint

An academic complaint may be filed with an academic dean when a student feels that a faculty member has violated state law, federal law, or College policies and procedures relative to grading or other academic matters.

All grades awarded by the instructor of record shall be final. According to the California Code of Regulations, §55025, “The determination of the student’s grade by the instructor shall be final in the absence of mistake, fraud, bad faith, or incompetency.”

General Student Complaint

Students may consult with the Ombudsperson before proceeding with a complaint or grievance process. More information about the Ombudsperson is available at www.ohlone.edu/ombudsperson.

A general student complaint may be filed by a student who feels an action of a College staff member, office, or group violates existing College rules, policy, or procedures or other local, state, and federal laws. A complaint of discrimination, Americans with Disabilities Act (ADA) compliance, or sexual harassment is not included in this category; see Ohlone Administrative Procedure 3430, Prohibition of Harassment, and Ohlone Administrative Procedure 3435, Procedures for Handling Complaints of Unlawful Discrimination, for information on these complaints.

The Complaint Procedures are formalized procedures to ensure timely resolution at the lowest possible level. The first step is the informal resolution stage which involves the student who has a complaint and the staff member or specific group with whom the student has a complaint. The student must notify the staff person or representative of a group that the student wishes to make an appointment for an informal meeting to review an action within ten days of its occurrence. In the absence of the instructor or staff person and after a good faith effort to make contact, the student may directly contact the academic dean. Additional information is available from the Office of the Interim Vice President, Student Services in Building 7, Second Floor on the Fremont campus and online at www.ohlone.edu/studentservices/policies.
Title IX Complaint
These procedures are used when a complaint concerns discrimination on the basis of sex, including sexual harassment. The procedures are available from the Office of the Interim Vice President, Student Services in Building 7, Second Floor on the Fremont campus, and online at www.ohlone.edu/studentservices/policies. The Vice President, Human Resources and Training serves as compliance officer for student matters concerning Title IX regulations.

Section 504/ADA Complaint
These procedures are used when a complaint concerns matters pertaining to compliance with the Americans with Disabilities Act (ADA) and discrimination on the basis of a disability. The procedures are available from the Office of the Interim Vice President, Student Services in Building 7, Second Floor on the Fremont campus and online at www.ohlone.edu/studentservices/policies. The Vice President, Human Resources and Training serves as compliance officer for student matters concerning ADA law and regulations.

Civil Rights Complaints
These procedures are used when a complaint concerns matters of discrimination or failure to comply with college policy or procedures or federal and/or state regulations including the Civil Rights Act; Title IX of the Education Amendments of 1972; the Rehabilitation Act of 1973 (Sections 503 and 504); the Americans with Disabilities Act of 1990; Executive Orders 11246 and 11375; the Vietnam Era Veterans’ Readjustment Act of 1974; the Age Discrimination and Employment Act of 1967; and the nondiscrimination laws of the State of California. The procedures are available from the Office of the Interim Vice President, Student Services in Building 7, Second Floor on the Fremont campus and online at www.ohlone.edu/studentservices/policies. The Interim Vice President, Academic Affairs/Deputy Superintendent serves as the compliance officer of all of the above except ADA and Rehabilitation Act of 1973 (Sections 503 and 504) complaints. The Vice President, Human Resources and Training serves as the compliance officer for ADA and Rehabilitation Act of 1973 (Sections 503 and 504) complaints.

Civil law remedies including, but not limited to, injunctions, restraining orders, or other remedies or orders may be available to complainants.

Students wishing to pursue a civil rights complaint beyond the College level should direct their inquiries to the Board of Governors of California Community Colleges at 1102 Q St., Suite 4554, Sacramento, CA 95811 or the Office of Civil Rights, United States Department of Education, 50 Beale Street, Suite 7200, San Francisco, CA 94105-1813.

External Resources
Most complaints, grievances, and disciplinary matters should first go through the college complaint process before seeking external resolution. Individuals are strongly encouraged to make every attempt to resolve matters through appropriate processes outlined in the college procedures. Matters that are not resolved at the college level may be processed by using the following agency:

If the complaint is associated with the institution’s compliance with academic program quality and accrediting standards, contact the Accrediting Commission for Community and Junior Colleges (ACCJC) at https://accjc.org/complaint-process.

If the complaint does not concern Ohlone College’s compliance with accreditation standards, contact the California Community College Chancellor’s Office by completing the web form at http://california.communitycolleges.cccco.edu/complaintsform.aspx.

Unlawful Discrimination and Unlawful Harassment

The District is committed to providing an academic and work environment free of unlawful harassment and unlawful discrimination. This procedure defines sexual harassment and other forms of unlawful harassment that are prohibited at the District, and sets forth a procedure for the investigation and resolution of complaints of harassment by or against any staff, faculty member, student, contractor, volunteer, or intern within the District.

Definitions
General Harassment: Harassment of a student, contractor, volunteer, intern, or an employee based on perceived or actual race; religion or religious creed; color; national origin; ethnic group identification; ancestry; physical disability; mental disability; sex; gender; gender identity; gender expression; sexual orientation; veteran status; or on any other basis protected by applicable law to the extent required by applicable law, of any person, or based on the individual’s association with a person or group with one or more of these actual or perceived characteristics is illegal and violates District policy.

The law also protects employees, contractors, volunteers, or interns from discrimination and harassment based on medical condition, pregnancy, marital status, military and veteran status, age, genetic information, and possessing a driver’s license under Vehicle Code section 12801.9.

Gender-based harassment does not necessarily involve conduct that is sexual. Any hostile or offensive conduct based on gender can constitute prohibited harassment. For example, repeated derogative comments about a person’s competency to do the job, when based on that person’s gender, could constitute gender-based harassment.

(continued on next page)
Harassment comes in many forms, including, but not limited to, the following conduct:

**Verbal:** Inappropriate or offensive remarks, slurs, jokes, or innuendoes based on a person’s race, gender, sexual orientation, or other protected status. This may include, but is not limited to, inappropriate comments regarding an individual’s body, physical appearance, attire, sexual prowess, marital status, or sexual orientation; unwelcome flirting or propositions; demands for sexual favors; verbal abuse, threats, or intimidation; or sexist, patronizing, or ridiculing statements that convey derogatory attitudes based on gender, race, nationality, sexual orientation, or other protected status.

**Physical:** Inappropriate or offensive touching, assault, or physical interference with free movement. This may include, but is not limited to, kissing; patting; lingering or intimate touches; grabbing; pinching; leering; staring; unnecessarily brushing against or blocking another person; whistling; or sexual gestures. It also includes any physical assault or intimidation directed at an individual due to that person’s gender, race, national origin, sexual orientation, or other protected status.

**Visual or Written:** The display or circulation of visual or written material that degrades an individual or group based on gender, race, nationality, sexual orientation, or other protected status. This may include, but is not limited to, posters, cartoons, drawings, graffiti, reading materials, computer graphics, or electronic media transmissions (including postings on social media).

**Environmental:** A hostile academic or work environment exists where it is permeated by sexual innuendo; insults or abusive comments directed at an individual or group based on gender, race, nationality, sexual orientation, or other protected status; or gratuitous comments regarding gender, race, sexual orientation, or other protected status that are not relevant to the subject matter of the class or activities on the job. A hostile environment can arise from an unwarranted focus on sexual topics or sexually suggestive statements in the classroom or work environment. It can also be created by an unwarranted focus on, or stereotyping of, particular racial or ethnic groups, sexual orientations, genders, or other protected statuses. An environment may also be hostile toward anyone who merely witnesses unlawful harassment in his/her immediate surroundings, although the conduct is directed at others. The determination of whether an environment is hostile is based on the totality of the circumstances, including such factors as the frequency of the conduct, the severity of the conduct, whether the conduct is humiliating or physically threatening, and whether the conduct unreasonably interferes with an individual’s learning or work.

**Sexual Harassment:** In addition to the above, sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other conduct of a sexual nature when:

- submission to the conduct is made a term or condition of an individual’s employment, academic status, or progress;
- submission to, or rejection of, the conduct by the individual is used as a basis of employment or academic decisions affecting the individual;
- the conduct has the purpose or effect of having a negative impact upon the individual’s work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment; or
- submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the community college.

This definition encompasses two kinds of sexual harassment:

- “Quid pro quo” sexual harassment occurs when a person in a position of authority makes educational or employment benefits conditional upon an individual’s willingness to engage in or tolerate unwanted sexual conduct.
- “Hostile environment” sexual harassment occurs when unwelcome conduct based on a person’s gender is sufficiently severe or pervasive so as to alter the conditions of an individual’s learning or work environment; unreasonably interfere with an individual’s academic or work performance; or create an intimidating, hostile, or abusive learning or work environment. The victim must subjectively perceive the environment as hostile, and the harassment must be such that a reasonable person of the same gender would perceive the environment as hostile.

Sexually harassing conduct can occur between people of the same or different genders. The standard for determining whether conduct constitutes sexual harassment is whether a reasonable person of the same gender as the victim would perceive the conduct as harassment based on sex.

**Examples:** Harassment includes, but is not limited to, the following misconduct:

- **Verbal:** Inappropriate or offensive remarks, slurs, jokes, or innuendoes based on a person’s protected status, including, but not limited to, sex. This may include, but is not limited to, inappropriate comments regarding an individual’s body, physical appearance, attire, sexual prowess, marital status, or sexual orientation; unwelcome flirting or propositions; demands for sexual favors; verbal abuse, threats, or intimidation of a sexual nature; or sexist, patronizing, or ridiculing statements that convey derogatory attitudes about a particular gender.

- **Physical:** Inappropriate or offensive touching, assault, or physical interference with free movement. This may include, but is not limited to, kissing; patting; lingering or intimate touches; grabbing; pinching; leering; staring; unnecessarily brushing against or blocking another person; whistling; or sexual gestures.

- **Visual or Written:** The display or circulation of offensive sexually oriented or other discriminatory visual or written material. This may include, but is not limited to, posters, cartoons, drawings, graffiti, reading materials, computer graphics, or electronic media transmissions.

- **Environmental:** An academic or work environment that is permeated with racially or sexually-oriented talk, innuendo, insults, or abuse not relevant to the subject matter of the class or activities on the job. A hostile environment can arise from an unwarranted focus on sexual topics or sexually suggestive statements in the classroom or work environment. An environment may be hostile if unwelcome sexual behavior or other harassing behavior based on a protected status is directed specifically at an individual or if the individual merely witnesses unlawful harassment in his/her immediate surroundings. The determination of whether an environment is hostile is based on the totality of the circumstances, including such factors as the frequency of the conduct, the severity of the conduct, whether the conduct is humiliating or physically threatening, and whether the conduct unreasonably interferes with an individual’s learning or work.

The District has detailed procedures for filing complaints. Anyone who feels that he/she has been unlawfully discriminated against, harassed, or witnessed discrimination or harassment should contact the appropriate District officer for referral or resolution. The designated District officers are:

- **Interim Vice President, Student Services:** Student complaints
- **Vice President, Human Resources and Training:** Employee, intern, and volunteer complaints
- **Interim Vice President, Administrative Services:** Contractors (including vendors), community members, and general public complaints

Please refer to Administrative Procedure 3435 at www.ohlone.edu/board/policy/ap-chapter3/ap3435 for the complete procedure for filing complaints.
Drug and Alcohol Free Environment and Drug Prevention Program

These procedures are provided to students and employees of the Ohlone Community College District in accordance with the Drug Free Schools and Communities Act Amendment of 1989; 20 U.S. Code Sections 1011i; 1091(7); 1092(f)(1)(H); 1092(k); 34 Code of Federal Regulations 86.1 et seq.; 34 Code of Federal Regulations 86.100; Federal Drug-Free Workplace Act of 1988 (41 U.S. Code Section 8103); California Drug-Free Workplace Act, Cal. Gov. Code 8355; and the California Business & Professions Code Section 25608(a).

The Board of Trustees of the Ohlone Community College District prohibits the unlawful possession, use, giving, manufacture, sale, delivery, dispensation, or distribution of illicit drugs and alcohol by any person on District property or as part of any District activity. Any student or employee in violation of this policy is subject to disciplinary action up to, and including, expulsion from the District or termination from employment and/or contacting or referral to law enforcement for prosecution. A student convicted of an offense loses eligibility for a grant, loan, or work assistance for one to two years or indefinitely for certain repeat offenses. The final decision to take disciplinary action rests with the Board of Trustees after consideration of the recommendation of the President/Superintendent of the Ohlone Community College District. The final decision of law enforcement action rests with the District Attorney’s Office. Students and employees may be required to participate satisfactorily in a drug or alcohol abuse assistance or rehabilitation program approved for such purposes by a state, federal, or local health, law enforcement, or other appropriate agency in order to regain rights or privileges lost by the violation (such as grants, loans, or work assistance for students).

Drug or alcohol counseling, treatment, rehabilitation, re-entry programs, or referrals are available to employees and students. Ohlone College provides confidential referrals through an Employee Assistance Program (EAP) for employees and their families needing assistance with drug or alcohol abuse. Please contact the Vice President, Human Resources and Training for more information or visit the Human Resources web page at www.ohlone.edu/hr/benefits/eap for information on contacting CONCERN EAP.

Students should contact the Student Health Center or the Interim Vice President, Student Services for resources or assistance. The Student Health Center also provides counseling, alcohol and drug abuse education information, and resources for students. Students may visit the Student Health Center on the Fremont campus (Building 7, Third Floor) or call the Student Health Center at 510-659-6258.

Additional information contained in this procedure is on the Ohlone College website, Administrative Procedure 3550, Drug Free Environment and Drug Prevention Program, at www.ohlone.edu/board/policy/ap-chapter3/ap3550.
Smoke-Free District

The following Smoking on Campus statement is from Ohlone College Administrative Procedure 3570:

- References: Government Code Sections 7596, 7597, and 7598; Labor Code Section 6404.5; Title 8, Section 5148
- Adopted in January 2010 (previously Ohlone Regulation 10.1.1)
- Amended in August 2013

“Ohlone Community College District is a designated smoke-free district. Smoking is prohibited in all College vehicles, buildings, indoor and outdoor facilities, disabled and general use parking lots, and all open areas of district property.”

Student Code of Conduct

Ohlone College is primarily concerned with academic achievement; the growth and development of its students; and the wellness and safety of every member of its community. In addition, the College strives to preserve peace; support a moral and just climate; meet its contractual obligations; and protect its property and that of its community members. The College strives to treat members of the community with equal care, concern, honor, fairness, and dignity. The College, therefore, has established the Student Code of Conduct to communicate its expectations of students as positive and responsible members of the College community.

The primary purpose of the Student Code of Conduct, including the Standards of Student Conduct and its associated Student Discipline Procedures, is to protect the College community and foster a safe, non-threatening environment that advances the academic mission of the College. Accordingly, students and student organizations will be held accountable for violations of College regulations and policies. Within this context, a reasonable effort will be made to foster the personal and social development of all parties involved. The Student Code of Conduct will be used in a manner the College determines is fair and equitable, and not for purposes of retaliation. Additionally, it is not intended to infringe unlawfully on the rights of individuals and groups to engage in free expression as protected by the state and federal constitutions, and by California Education Code 76120, and will not be used to punish expression that is legally protected.

The Student Code of Conduct is established in accordance with California Education Code Section 66300, which requires each community college district to adopt standards of student conduct along with applicable penalties for violation. It is not intended to substitute for criminal or civil proceedings that may be initiated by other agencies.

The College reserves the right to take any necessary and/or appropriate steps to protect the safety and well-being of the College community. While the jurisdiction of the College shall generally be limited to conduct which occurs on College premises or at College-sponsored events, a student who is charged with a felony as a result of off-campus behavior, or who represents a risk to the health or safety of the College community, or whose conduct causes or is foreseeably likely to cause a material and substantial disruption of school, may also be subject to student conduct action. In addition, the jurisdiction may be extended when a student, or a student organization, commits a prohibited act off-campus against a student or employee of the College, or against the College itself, when such act is related to the student’s or victim’s status at the College.

**Student Right-to-Know**

In compliance with the Student Right-to-Know (SRTK) and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the Ohlone Community College District to make available its completion and transfer rates to all current and prospective students.

For each year beginning in 1993, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. The Fall 2014 cohort was tracked through Spring 2017. The completion rate is the percentage of students in the cohort who earned a degree or certificate, or could be considered transferable to a baccalaureate institution (completed 60 or more transferable units with at least a 2.0 GPA). The transfer rate is the percentage of students in the cohort who have been identified as having transferred to another California Community College or a baccalaureate institution, but did not meet the criteria above to be classified as a completer.

The tables below present the SRTK rates for Ohlone College and statewide since 2010.

It should be noted that the cohort used for SRTK represents a very small proportion of the students at Ohlone College. Many students attend Ohlone with goals other than earning a degree or certificate or preparing to transfer to a baccalaureate institution. In addition, the majority of Ohlone students attend on a part-time basis, thus excluding them from the SRTK cohort.

**Jeanne Clery Act and Violence Against Women Act (VAWA)**

**What is the Jeanne Clery Act?**

The “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act” (formerly the Campus Security Act) is a federal law that requires institutions of higher education (colleges and universities) in the United States to disclose campus security information including crime statistics for the campus and surrounding areas. The act was first enacted by Congress in 1990 and amended in 1992, 1998, and 2000.

**What is the Violence Against Women Act?**

On March 7, 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013 (VAWA), which amended the Higher Education Act of 1965, the Clery Act. All higher education institutions are now required to compile statistics for incidents of domestic violence, dating violence, sexual assault, and stalking. VAWA also requires higher education institutions to include policies, procedures, and programs pertaining to these incidents in the annual security report.

**Who is Jeanne Clery?**

In 1986 Jeanne Clery, a freshman at Pennsylvania’s Lehigh University, was murdered and sexually assaulted in her campus residence hall room by another student she didn’t know. Her school hadn’t informed students about 38 violent crimes on campus in the three years preceding her murder. Clery’s parents, Connie and Howard, led the crusade to enact the original Campus Security Act. In 1998, Congress formally named the law in memory of Jeanne Clery.

(continued on next column)
Does the Clery Act follow the guidelines established in the UCR program?
Where guidance from the UCR program does not conflict with Clery Act reporting requirements schools are expected to follow the classifying and scoring methods outlined in the FBI UCR Handbook.

If more than one crime occurs in the same incident, which offense is reported?
Under a UCR standard known as the “hierarchy rule” only the most serious (using the order found in the UCR Handbook) incident is to be reported in annual crime statistics. The crime log and timely warnings may reflect more than one crime.

California Penal Code Section 290.01 requires every person who was convicted of a sex offense to register with the Campus Police Department of a college or university within five days where he/she is:

- Enrolled as a full-time student.
- Enrolled as a part-time student.
- Employed as a full-time staff, faculty, or instructor.
- Employed as a part-time staff, faculty, or instructor.
- Employed as a full-time or part-time classified employee.
- Employed as a volunteer.
- A contractor who is contracted by the college or university to work on campus.
- A carrier driver who delivers to that college or university more than 14 consecutive days or 30 days in a calendar year (i.e. water delivery; mail; VTA drivers; Outreach drivers; armored car drivers; telephone, gas, and electricity technicians; computer technicians, office supply drivers, and others).

This section does not relieve the person to register as a Sex Offender with the jurisdiction where he/she is residing. The registrations as a Sex Offender with a College or University Police Departments are in addition to the registration with the local police and sheriff’s departments.

Authority for Law Enforcement
Campus Police Officers are granted authority to act as Police Officers by 830.32(a) of the Penal Code and 72330 of the Education Code. Campus Security Officers act as non-sworn officers only and do not have police powers. They take crime reports and reports of minor auto accidents; write parking citations; patrol the campuses (on foot and in vehicles); and observe and report any unusual conditions or circumstances.

All officers working for the College (sworn and non-sworn) are required by law to attend the 832.2 P.C. School Peace Officers course or School Security Guard Course as required by the Peace Officer Standards and Training and the Department of Consumer Affairs.

Sufficient equipment, along with POST-trained and non-POST-trained personnel, shall be maintained to accomplish Campus Police Services’ assigned responsibility of seven day a week coverage of facilities owned, operated, or under the control of the Ohlone Community College District.

Crime Prevention and Safety Education
Campus Police Services distributes crime prevention material to the College community. They make inspections of facilities to insure physical security; design and present programs to reduce risk from criminal acts; review plans and new construction additions to facilities to insure against design defects that could contribute to criminal acts; make preventative patrols of grounds; make necessary arrests and detentions; and interact with all other law enforcement and investigative agencies.

Crime prevention and safety information such as Preventing Sexual Assault/Rape, Escort Service, Earthquake Procedures, and Parking Rules and Information are provided by Campus Police Services. This information is available online at www.ohlone.edu/safety-tips-campus-police-services-safety-and-security. Information regarding how to call Campus Police Services for emergencies is available online at www.ohlone.edu/cps; information on how to report crimes is available online at www.ohlone.edu/cps. A rape awareness program is available online for both staff and students.

Crime Statistics
The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (commonly known as the Clery Act) is federal legislation designed to provide students, prospective students, and the public with uniform information from universities throughout the country on criminal problems and police and security issues. The Three-Year Annual Crime Report meets all reporting requirements as set forth in the Clery Act. Criminal statistics are updated by October 1 of each year and include data from the three previous calendar years.

Reporting and Response Systems for Campus Police Services
The Procedures Manual contains the rules and regulations that govern the conduct of Campus Police Services personnel and enforcement procedure of the Ohlone Community College District. It is the responsibility of the Chief, Campus Police and Safety to maintain the Procedures Manual and communicate additions and deletions to employees.

An operational Memorandum of Understanding with the Fremont Police Department and Newark Police Department—which includes records, patrol, investigative, communications, and incarceration support—is maintained at the Campus Police Services Office. Fremont Police or Newark Police will be called for assistance in any instance where a major crime has been committed or for an auto accident in which there are visible injuries or complaint of pain and the complaining party is transported to the hospital via ambulance.

Security of Facilities
Unauthorized persons are not allowed into buildings that are secured for evenings, weekends, and holidays. If an individual needs to gain entry into a building Campus Police Services personnel must first check that person’s identification (unless the person is known). An entry is then made in the activity log stating the building, time, date, and name of the person allowed into the building. Campus Police Services has the authority to request Facilities staff to respond to situations that present a threat to the public safety and/or liability of the District.

Parking Policies

Parking permit requirements are waived during the first week of each semester; however, all other parking rules are enforced. After the first week of each semester, parking permits must be prominently displayed at any of the Ohlone Community College District campuses. Parking permits for each semester may be purchased online at www.paymycite.com/ohlone/parkingpermit.aspx. The Ohlone Bookstore does not sell semester parking permits. One-day permits may also be purchased at permit vending machines in Lots E, H, P, and K, and all levels of the South Parking Structure on the Fremont campus, and at permit vending machines in Lots B, C, D, and E on the Newark campus. Please refer to Chapter 4 of this catalog for parking fees. The parking fee structure and policies are subject to change.

All parking rules are enforced at all times. On the Fremont campus parking permit requirements are enforced every day from 6:00am-11:00pm. On the Newark campus parking permit requirements are enforced on Monday-Friday from 6:00am-11:00pm and Saturdays from 6:00am-5:00pm. Sundays are free on the Newark campus. General/Student or Daily Permits are not required at either campus during observed College holidays or semester breaks. Please refer to the district academic calendar for holidays and semester breaks.

Most parking lots are open to students, visitors, and guests, with the exception of Lots A, B, D (staff stalls only), T, U, V, and W on the Fremont campus and those spaces designated as Administration, Maintenance or Police/Emergency Vehicle. Lot Q is restricted. See the Ohlone College campus maps for disabled parking locations; these locations are indicated with an asterisk (*). Parking vending machines are available in each lot on the Newark campus and in Lots E, H, K, and P, as well as all levels of the South Parking Structure on the Fremont campus for visitors, guests, and students to purchase daily parking permits.

Daily permits must be displayed on the dashboard and are valid at both campuses for the day purchased, regardless for which campus the daily permit was purchased. Semester permits must hang from the rearview mirror and are valid on both campuses.

Disabled persons displaying either State of California license plates issued for disabled parking purposes or permits obtained from Ohlone College’s Disabled Student Programs and Services Office may park in spaces reserved for the disabled. These spaces are marked with the standard blue painted disabled insignia. In addition to the disabled placard an Ohlone College semester or daily permit must also be displayed. Disabled parking permits are available in the Student Accessibility Services (SAS) Office located in Building 7, First Floor on the Fremont campus. SAS can be reached at 510-659-6140.

Parking Rules

1. Cars must park in marked stalls only, not on roadways, paths, etc.
2. Motorcycles must be parked in the reserved motorcycle area in Lot W on the Fremont campus and in Lots B and C on the Newark campus. Motorcycles and bicycles are prohibited on campus walkways and in buildings.
3. Vehicles parked in permit only zones without the necessary permit are subject to citation or storage (towing).
4. Yellow loading zones are for use by vendors and staff who must deliver bulky items. These zones are restricted to 15 minute parking.
5. Government vehicles engaged in required duties may park in all areas except fire lanes and disabled lots.
6. The use of skateboards and similar devices are prohibited on both the Fremont and Newark campuses.
7. Driving is permitted on paved roads only.
8. The Fremont and Newark campuses are closed from 11:00pm-6:00am.
