

**CURRICULUM GUIDE
2019-2020**

3D MODELING AND ANIMATION

Certificate of Accomplishment in 3D Modeling and Animation

Requirements for Certificate of Accomplishment:

- a) Complete satisfactorily the courses listed for the particular certificate.
- b) Complete at least 50% of the required units at Ohlone College.
- c) Maintain a 2.0 grade point average.

3D MODELING AND ANIMATION

This certificate provides students with technical and aesthetic skills needed for animation and 3D modeling.

Student Learning Outcomes

- 1. Employ industry standard software to create 3D imagery and animations.
- 2. Demonstrate the ability to create 3D objects.
- 3. Demonstrate the ability to create 3D animations.
- 4. Illustrate concepts using 3D objects and animations.

MM-102A	Introduction to Multimedia	3
MM-121A	3D Modeling	3
MM-121B	3D Animation	3
MM-121C	Advanced 3D Modeling and Animation	<u>3</u>
