

**CURRICULUM GUIDE
2019-2020**

BROADCASTING: ADVANCED FILM AND VIDEO

Certificate of Accomplishment in Broadcasting: Advanced Film and Video

Requirements for Certificate of Accomplishment:

- a) Complete satisfactorily the courses listed for the particular certificate.
- b) Complete at least 50% of the required units at Ohlone College.
- c) Maintain a 2.0 grade point average.

BROADCASTING: ADVANCED FILM AND VIDEO

The completion of the Broadcasting: Advanced Film and Video Certificate of Accomplishment demonstrates that a student has successfully completed a sequence of courses and developed specific skills in preparation for a career in video or film production.

Student Learning Outcomes

1. Demonstrate the ability to identify and operate a variety of studio lighting instruments.
2. Create a script, storyboard, and shoot a video of at least three minutes in length.
3. Incorporate video graphics.
4. Construct a video editing timeline, and arrange individual scenes into a sequence, using transitions, split edits, and match frame editing.
5. Manipulate audio tracks to combine the spoken word with music, and mix and calibrate audio tracks.
