GLOBAL STUDIES FOR TRANSFER

Associate in Arts in Global Studies for Transfer (ADT)

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer," a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts in Global Studies for Transfer is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete 60 required semester units of CSU-transferable coursework with a minimum GPA of 2.0. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements.

Completion of the requirements for the Associate in Arts in Global Studies for Transfer prepares students for transfer to a California State University to engage in upper division work towards a baccalaureate degree in Global Studies. Students will learn how to relate their knowledge of a particular part of the world to the larger trends and issues that affect all societies: perceived as cultural and economic homogenization on a global scale; and the search for social justice, environmental justice, and a peaceful world.
