

**CURRICULUM GUIDE
2021-2022**

CULTURAL ANTHROPOLOGY

Certificate of Accomplishment in Cultural Anthropology

**INTEREST AREA:
SOCIAL SCIENCES**

The Certificate of Accomplishment in Cultural Anthropology provides students with a comprehensive spectrum of topics related to the concept of culture, including development of language, belief systems, kinship structures, economics, and political organization in various cultures. This certificate gives students an appreciation for diverse cultures and it provides a better understanding of the development of world social and political institutions.

Requirements for Certificate of Accomplishment:

- a) Complete satisfactorily the courses listed for the particular certificate.
- b) Complete at least 50% of the required units at Ohlone College.
- c) Maintain a 2.0 grade point average.

Student Learning Outcomes

1. Demonstrate an understanding of the concept of culture, identifying cultural values and norms in a wide range of cultural groups.
2. Demonstrate intercultural sensitivity to contemporary issues facing a variety of cultural groups.
