I. Purpose of EMP

The EMP articulates the academic planning priorities for the college over the next five years. This will include:

- Environment Scan data / assumptions outlining emerging trends
- Fremont and Newark Center academic programming
- Career Education
- Distance Education
- Noncredit
- Dual Enrollment
- Enrollment Projections
- Initiatives impacting academic planning: Equity, Guided Pathways, AB 705 etc

II. Career Education – Data and Priorities

III. Key Assumptions for the Future Drawn from Environmental Scan Data

IV. Ideas for Positioning Ohlone College in the Future Given the Assumptions – Priorities for CE, DE, etc
