

MyOhlone for Students

Admissions and Registration

Welcome to MyOhlone, your student portal! Log in using the same log in and password you would use to log into WebAdvisor. This user guide will direct you on registration and account information. For other aspects of MyOhlone, those areas will provide instruction on how to view and interpret the information.

This is your home screen once you have logged in. You can use the side menu or the front menu to maneuver through MyOhlone.

Hello, Welcome to MyOHLONE

Seats Available 23 of 24 Total

Units 4

Grading Graded, Pass/Fail

Requisites None

Course Description This course covers human biology with an emphasis on human evolution, and the interaction between biology and culture. Major topics include the scientific method, genetics, human variation, primate studies, and the prehistoric fossil record. Lab exercises on genetics and human variation; primate and human osteology; artifacts and fossils; and observation of primate behavior are also included.
