FROM: Dr. Eric Bishop
DATE: April 14, 2021
SUBJECT: New Credit Program for 2021-2022

The new credit program listed on the following memorandum was approved by the Curriculum Committee for implementation in the 2021-2022 academic year.

RECOMMENDATION

The Superintendent/President recommends approval of the following curriculum items.
MEMORANDUM

TO: Dr. Eric Bishop, Superintendent/President
FROM: Anthony DiSalvo, Vice President, Academic Affairs/Deputy Superintendent
DATE: April 14, 2021
SUBJECT: New Credit Program for 2021-2022

The following new credit program was approved by the Curriculum Committee:

**Business Administration**

**Business Administration 2.0: Associate in Science for Transfer**

- **Goals and Objectives:** The goals and objectives of the Associate in Science in Business Administration for Transfer 2.0 degree program are to prepare students for seamless transfer to a CSU. The curriculum has been updated to mirror the revisions to the Business Administration Transfer Model Curriculum (TMC) template released by the CCCCCO in February 2021.

The degree is designed to provide students with the common core of lower division courses required for transfer that will facilitate their pursuit of a baccalaureate degree in Business Administration. This includes business degree majors in Accounting, Finance, Human Resources Management, International Business, International Business, Management, Operations Management, and Marketing.

Upon completion of the appropriate baccalaureate institution degree, students will be prepared to enter occupations such as Accountants and Auditors, Business Operations Specialists, Financial Managers, General and Operations Managers, Human Resources Specialists, and Sales Managers.

Occupational competencies students will acquire are technical, human relations, employability, and general education skills.

- **Master Planning:** This program prepares students for transfer and provides them with interdisciplinary preparation necessary for upper division success, regardless of the receiving CSU campus to which they transfer. This task must be accomplished within the guidelines of SB 1440 at the direction of the California legislature.

- **Resources:** The following resources are available to support this program: library and media center resources; facilities; financial support; and faculty.
