

OHLONE COMMUNITY COLLEGE DISTRICT

MEMORANDUM

TO: Board of Trustees
FROM: Dr. Eric Bishop
DATE: July 14, 2021
SUBJECT: Ratification of Contracts

Board Policy 6340 delegates to the President/Superintendent “the authority to enter into contracts on behalf of the District and to establish administrative procedures for contract awards and management...” Both District Policy and Education Code Section 81655 state that any such contract is not a valid or enforceable obligation against the District until it is approved or ratified by the Board.

In the past, most contracts have been ratified by inclusion in the warrant report, which provided information on checks that have already been written. To make contract reporting more transparent, the District is now providing contract information for the Board in the attached format. This will allow the Board to take action prior to payments being made.

As before, where a specific contract requires prior Board approval or where the nature of the contract warrants specific action, these transactions will continue to be separated out and placed on the action or consent agenda for individual consideration.

Funding for each contract has been verified from the appropriate fund account or grant.

RECOMMENDATION

The Superintendent/President recommends that the Board of Trustees ratifies the contracts on the attached page(s).
