The board will interview the following candidates for the currently vacant Area 1* seat:

Sarabjit Kaur Cheema  
Lucia Gutierrez  
Elisa Martinez  
Jacquelyn Reza

After asking several interview questions of each of the candidates, the board may vote to provisionally appoint one of the candidates as an interim trustee.

As per BP 2110, *Vacancies on the Board*, if a candidate is appointed by the Board at this meeting, they will serve as a trustee until the next regularly scheduled governing board election (November 2022).

*Area 1 encompasses the city of Newark, and Fremont and Union City precincts west of I-880.*

**RECOMMENDATION**

By their own statements, each of the candidates has met the minimum eligibility requirements to fill the vacant Area 1 seat. Therefore, the Superintendent/President recommends that the Board of Trustees carefully consider the aforementioned candidates for possible provisional appointment as interim Area 1 Trustee.
