Dr. Melissa Cervantes, Executive Dean of Equity, Inclusivity, and Campus Diversity, presents a Memorandum of Understanding between Averroes High School (AHS) and Ohlone College (OCCD) and the draft agreement for approval.

BACKGROUND

The College Connection Program allows high school students to experience college as an integrated component of their high school day. Students enroll in courses on the Ohlone campus while still enjoying and being a part of their high school community.

College Connection students take high school classes in the morning and the college classes of their choice in the afternoon, giving them the opportunity to get a head start on college, whether it be continuing at a community college or earning transferable units to a four-year college or university.

RECOMMENDATION

The Superintendent/President recommends that the Board of Trustees ratify the College Connection program agreement between Ohlone College and Averroes High School.
