AP 2343 Board Proclamations

Board Approved: 03/10/21

The Ohlone Community College District Board offers proclamations to recognize groups represented within the college community. These proclamations are intended to promote better understanding of the groups and celebration of their contributions to the Ohlone community and society as a whole. In principle, the Board titles the proclamation and references national titles within the body of the proclamation.

Representative parties within the college community examine the proclamation and provide feedback to the Superintendent/President prior to adding it to the Board agenda. A member of the Ohlone College faculty or staff, or the representative community receives the proclamation during the meeting.

Requests for additional proclamations shall be made in writing to the Superintendent/President, who shall work with the President’s Committee for Policy Review to determine the appropriateness of the proclamation.

Below is a list of proclamations the Board offers:

<table>
<thead>
<tr>
<th>Month</th>
<th>Proclamation(s)</th>
</tr>
</thead>
</table>
| January | • India Republic Day  
• Martin Luther King, Jr. Day                                                    |
| February| • Black History Month                                                           |
