The Board shall consist of seven members elected by the qualified voters of the District. Members shall be elected at large as defined in Board Policy 2100.

Any person who meets the criteria contained in law is eligible to be elected or appointed a member of the Board.

An employee of the District may not be sworn into office as an elected or appointed member of the governing board unless he or she resigns as an employee.

No member of the governing board shall, during the term for which he or she is elected, hold an incompatible office.

No member of the Governing Board shall, during the term for which he or she was elected, be eligible to serve on the governing board of a high school district whose boundaries are coterminous with those of the community college district.
The Board shall include one non-voting student member. The term of office shall be one year commencing May 15.

The student member shall be enrolled in and maintain a minimum of five (5) semester units in the District at the time of nomination and throughout the term of service. The student member is not required to give up employment with the district. The student shall maintain the minimum standards of scholarship.

The student member shall be seated with the Board and shall be recognized as a full member of the Board at meetings. The student member is entitled to participate in discussion of issues and receive all materials presented to members of the Board (except for closed session). The student member shall be entitled to any mileage allowance necessary to attend board meetings to the same extent as publicly elected trustees.

On or before May 15 of each year, the Board shall consider whether to afford the student member any of the following privileges:

- The privilege to make and second motions;
- The privilege to attend closed sessions, other than closed sessions on personnel or collective bargaining matters;
- The privilege to receive compensation for meeting attendance at a level equivalent to the elected trustees. See BP 2725;
- The privilege to serve a term commencing on May 15;
- The privilege to cast an advisory vote, although the vote shall not be included in determining the vote required to carry any measure before the Board.

The term of office of each trustee shall be four years, commencing on the first meeting in December following the election. Elections shall be held every two years, in even numbered years. Terms of trustees are staggered so that, as nearly as practical, one half of the trustees shall be elected at each trustee election.

Eligibility for candidacy will be defined as in Education Code 72103.

The Board of Trustees has provided for the election of trustees by trustee areas.

Effective December 14, 2011, the trustee seats are:

Area 1:  City of Newark and the Fremont and Union City precincts west of I-880 (two seats)
Area 2:  City of Fremont and Union City precincts east of I-880 (five seats)

The election of a board member residing in and registered to vote in the trustee areas he or she seeks to represent shall be only by the registered voters of the same trustee areas. Voters will be instructed to vote for the appropriate number of candidates from their area.

The President/Superintendent shall submit recommendations to the Board regarding adjustments to be made to the boundaries of the District or the two areas after each decennial federal census and at any time adjustments are deemed necessary. The President/Superintendent shall submit the recommendation in time for the Board to act as required by law.

The Board of Trustees has determined that the Ohlone Community College District shall pay in excess of $800 (increased by 4% each year), for any candidate’s statement in English and/or another language to be sent to the voter.

The Registrar of Voters, County of Alameda, has been directed to provide a written copy of this policy to each candidate’s representative at the time nomination papers are picked up.

The student member of the Board of Trustees shall be chosen by the students enrolled in the District as follows:

The student member shall be elected by all the students of the student body in a general election held for that purpose. Normally an election will be held in the month of April so that the office is filled by May 15. The student member may be recalled by all the students of the student body in an election held for that purpose in accordance with administrative procedures established by the President/Superintendent.

If the seat of a student member becomes vacant during his/her term, the governing board may authorize the officers of student body associations established pursuant to Education Code Section 76060 at each community college in the district to appoint a student to serve the remainder of the term in accordance with procedures established by the governing board.

Candidates for the position may nominate themselves or be nominated by others by the filing of an application certifying that the candidate is eligible for service under the criteria set forth in California law and these policies. The election shall be conducted in accordance with administrative procedures established by the President/Superintendent.

See Administrative Procedures #2105.
Vacancies on the Board may be caused by any of the events specified in Government Code Section 1770 or any applicable provision in the Elections Code, or by a failure to elect. Resignations from the Board shall be governed by EC 5090.

Within sixty days of the vacancy or filing of a deferred resignation, the Board shall either order an election or make a provisional appointment to fill the vacancy.

If an election is ordered, it shall be held on the next regular election date not less than 130 days after the occurrence of the vacancy.

If a provisional appointment is made, it shall be subject to the conditions in EC 5091. The person appointed to the position shall hold office only until the next regularly scheduled election for district governing board members, when the election shall be held to fill the vacancy for the remainder of the unexpired term.

The provisional appointment will be made by a majority public vote of the Board members at a public meeting.

The President/Superintendent shall establish administrative procedures to solicit applications that assure ample publicity to and information for prospective candidates. The Board will determine the schedule and appointment process, which may include interviews at a public meeting.

See Administrative Procedures #2110.
The Board may, by a vote of the membership of the Board, act to submit to the electors of the District a proposal to limit the number of terms a member of the governing board may serve on the Board. Any proposal to limit the number of terms a member of the Board may serve shall not become operative unless it is submitted to the electors of the District at a regularly scheduled election and a majority of the votes cast on the question favor adoption of the proposal. Any such proposal shall be subject to the administrative procedures set forth in the California Elections Code, Section 9500 et seq.

Any such proposal shall, if adopted by the electors of the District, apply prospectively only.

After any closed session, the Board shall reconvene in open session before adjourning and shall announce any actions taken in closed session and the vote or abstention of every member present.

All matters discussed or disclosed during a lawfully held closed session and all notes, minutes, records or recordings made of such a closed session are confidential and shall remain confidential unless and until required to be disclosed by action of the Board or by law.

No action shall be taken by secret ballot. The Board will publicly report any action taken in open session and the vote or abstention of each individual member present.

The following actions require a two-thirds majority of all members of the Board*:

- Resolution of intention to sell or lease real property (except where a unanimous vote is required);
- Resolution of intention to dedicate or convey an easement;
- Resolution authorizing and directing the execution and delivery of a deed;

- Resolution authorizing lease of District property under a lease for the production of gas.

Abstentions–instances when board members are present but do not vote – are not to be treated as votes and are not counted. In the case of an abstention, the Board Secretary will record the name of the board member and record that member as “not voting”. This will occur whether the vote taken is by voice or roll call.

Once the board reaches a decision, it acts as a whole.

If any Board member participates via teleconference, all votes taken must be by roll call.

*The Student Trustee vote is advisory only.
BP 2340  Agendas

Reference: Government Code Sections 54954 et seq., 6250 et seq.; Education Code Sections 72121, 72121.5

Board Approved: 04/13/05
Amended: 03/11/09, 09/13/17

An agenda shall be posted adjacent to the place of meeting as well as on the District’s Internet website at least 72 hours prior to the meeting time for regular meetings. The agenda shall include a brief description of each item of business to be transacted or discussed at the meeting. If requested, the agenda shall be provided in appropriate alternative formats so as to be accessible to persons with a disability.

No business may be acted on or discussed which is not on the agenda, except when one or more of the following apply:

- a majority decides there is an “emergency situation” as defined for emergency meetings;
- two-thirds of the members (or all members if less than two-thirds are present) determine there is a need for immediate action and the need to take action came to the attention of the Board subsequent to the agenda being posted;
- an item appeared on the agenda of and was continued from a meeting held not more than five days earlier.

The order of business may be changed by consent of the Board.

The President/Superintendent shall establish administrative procedures that provide for public access to agenda information and reasonable annual fees for the service.

Members of the public may place matters directly related to the business of the District on an agenda for a board meeting by submitting a written summary of the item to the President/Superintendent. The written summary must be signed by the initiator. The Board reserves the right to consider and take action in closed session on items submitted by members of the public as permitted or required by law.

Agendas shall be developed by the President/Superintendent, in consultation with the Board President.

Agenda items submitted by members of the public must be received by the office of the President/Superintendent at least 10 days prior to the regularly scheduled board meeting.

Agenda items initiated by members of the public shall be placed on the Board’s agenda following the items of business initiated by the Board and by staff. Any agenda item submitted by a member of the public and heard at a public meeting cannot be resubmitted before the expiration of a 90 day period following the initial submission.

See Administrative Procedure #2340.
BP 2345  Public Participation at Board Meetings

Reference:  Government Code Sections 54954.3, 54957.5; Education Code 72121.5
Board Approved:  04/13/05
Amended: 04/08/09, 9/8/10

The Board shall provide opportunities for members of the general public to participate in the business of the Board.

Members of the public may bring matters directly related to the business of the District to the attention of the Board in one of two ways:

1. There will be a time at each regularly scheduled board meeting for the general public to discuss items not on the agenda. There will be a five-minute limitation for each speaker, which may be extended by the Board President or by other Board action.

2. Members of the public may place items on the prepared agenda in accordance with Board Policy 2340.

   A written summary of the item must be submitted to the President/Superintendent at least 10 days including Saturdays, Sundays, and holidays to assure compliance with the Brown Act prior to the board meeting. The summary must be signed by the initiator, contain his or her residence or business address, and organizational affiliation, if any.

Members of the public also may submit written communications to the Board on items on the agenda and/or speak to agenda items at the board meeting. Written communication regarding items on the Board's agenda should reach the office of the President not later than two working days prior to the meeting at which the matter concerned is to be before the Board. All such written communications shall be dated and signed by the author, and shall contain the residence or business address of the author and the author's organizational affiliation, if any.

If requested, writings that are public records shall be made available in appropriate alternative formats so as to be accessible to persons with a disability.

Claims for damages are not considered communications to the Board under this rule, but shall be submitted to the District.

See Administrative Procedure #2345.
Persons may speak to the Board either on an agenda item or on other matters of interest to the public that are within the subject matter jurisdiction of the Board.

Oral presentations relating to a matter on the agenda, including those on the consent agenda, shall be heard before a vote is called on the item.

Persons wishing to speak to matters not on the agenda shall do so at the time designated at the meeting for public comment.

Those wishing to speak to the Board are subject to the following:

- The President of the Board may rule members of the public out of order if their remarks do not pertain to matters that are within the subject matter jurisdiction of the Board or if their remarks are unduly repetitive.

- Employees who are members of a bargaining unit represented by an exclusive bargaining agent may address the Board under this policy, but may not attempt to negotiate terms and conditions of their employment. This policy does not prohibit any employee from addressing a collective bargaining proposal pursuant to the public notice requirements of Government Code Section 3547 and the policies of this Board implementing that section.

- No member of the public may speak without being recognized by the President of the Board.

- Each speaker will be allowed a maximum of five minutes per topic. Thirty minutes shall be the maximum time allotment for public speakers on any one subject regardless of the number of speakers at any one board meeting. At the discretion of a majority of the Board, these time limits may be extended.

- Each speaker coming before the Board is limited to one presentation per specific agenda item before the Board, and to one presentation per meeting on non-agenda matters, exceptions may be made at the discretion of the Board Chair.
The following will be ruled out of order by the presiding officer.

- Remarks or discussion in public meetings on charges or complaints which the Board has scheduled to consider in closed session.
- Profanity, obscenity and other offensive language.
- Physical violence and/or threats of physical violence directed towards any person or property.

In the event that any meeting is willfully interrupted by the actions of one or more persons so as to render the orderly conduct of the meeting unfeasible, the person(s) may be removed from the meeting room.

Speakers who engage in such conduct may be removed from the podium and denied the opportunity to speak to the Board for the duration of the meeting.

Before removal, a warning and a request that the person(s) curtail the disruptive activity will be made by the President of the Board. If the behavior continues, the person(s) may be removed by a vote of the Board, based on a finding that the person is violating this policy, and that such activity is intentional and has substantially impaired the conduct of the meeting.

If order cannot be restored by the removal in accordance with these rules of individuals who are willfully interrupting the meeting, the Board may order the meeting room cleared and may continue in session. The Board shall only consider matters appearing on the agenda. Representatives of the press or other news media, except those participating in the disturbance, shall be allowed to attend any session held pursuant to this rule.
The Secretary shall cause minutes to be taken of all meetings of the Board. The minutes shall record all actions taken by the Board. The minutes shall be public records and shall be available to the public. If requested, the minutes shall be made available in appropriate alternative formats so as to be accessible to persons with a disability.

The minutes shall also record the name of the person making a motion, the name of the person seconding it, and the vote. Voting will be via voice or by roll call. A member voting for or against a proposition may state the reasons and may have them recorded in the minutes if the member so requests at the time of voting. Minutes will usually state only that a motion was passed or not passed; if a count was ordered, the number of votes on each side; for roll call votes, the names of those voting on each side.

Minutes will be recorded as indicated in the current edition of Robert’s Rules of Order, newly revised.

Any audio or video recording of an open and public Board meeting made by or at the direction of the
Board shall be subject to inspection by members of the public in accordance with the California
Public Records Act, Government Code Sections 6250, et seq. The President/Superintendent is
directed to enact administrative procedures to ensure that any such recordings are maintained for at
least three years following the taping or recording.

Persons attending an open and public meeting of the Board may, at their own expense, record the
proceedings with an audio or video tape recording or a still or motion picture camera or may
broadcast the proceedings. However, if the Board finds by a majority vote that the recording or
broadcast cannot continue without noise, illumination, or obstruction of view that constitutes or
would constitute a persistent disruption of the proceedings, any such person shall be directed by the
President of the Board to stop.

See Administrative Procedure #2365.
The Board may adopt such policies as are authorized by law or determined by the Board to be necessary for the efficient operation of the District. Board policies are intended to be statements of intent by the Board on a specific issue within its subject matter jurisdiction.

The policies have been written to be consistent with provisions of law, but do not encompass all laws relating to District activities. All district employees are expected to know of and observe all provisions of District policies and law pertinent to their job responsibilities.

Policies of the Board may be adopted, revised, added to or amended at any regular Board meeting by a majority vote. Proposed changes or additions shall be introduced not less than one regular meeting prior to the meeting at which action is recommended. The Board shall regularly assess its policies for effectiveness in fulfilling the District’s mission.

Administrative procedures are to be issued by the President/Superintendent as statements of method to be used in implementing Board Policy. Such administrative procedures shall be consistent with the intent of Board Policy. Administrative procedures may be revised as deemed necessary by the President/Superintendent.

The President/Superintendent shall, annually, provide each member of the Board with copies of the administrative procedures including any revisions since the last time they were provided. The Board reserves the right to direct revisions of the administrative procedures should they, in the Board’s judgment, be inconsistent with the Board’s own policies.

Copies of all board policies and administrative procedures shall be readily available to District employees through the President/Superintendent and the College website.

The Board is committed to its ongoing professional development as a Board and to a trustee education program that includes newly elected or appointed trustee, student trustee and Chair orientation as a first priority.

To that end, the Board will engage in study sessions, provide access to reading materials, and support conference attendance and other activities that foster overall trustee education.

Trustees shall provide a brief report on the conference attended and/or professional development activity at the regular meeting of the Board of Trustees following the attended event.
The Board is committed to assessing its own performance as a board in order to identify its strengths and areas in which it may improve its functioning.

To that end, the Board has established the following processes:

A committee of the Board shall be appointed in May to determine the instrument or process to be used in board self-evaluation. Any evaluation instrument shall incorporate criteria contained in these board policies regarding board operations, as well as criteria defining board effectiveness promulgated by recognized practitioners in the field.

The process for evaluation shall be recommended to and approved by the Board.

If an instrument is used, all board members will be asked to complete the evaluation instrument and submit them to the Board Chair.

A summary of the evaluations will be presented and discussed at a board session scheduled for that proposed. The results will be used to identify accomplishments in the past year and goals for the following year.
No member of the Board shall be absent from the state for more than 60 days, except in any of the following situations:

If the absence of a member of the Board pursuant to this subdivision exceeds six months, the Board may approve an additional six-month absence upon a showing that there is a reasonable expectation that the member will return within the second six-month period, and the Board may appoint an interim member to serve in his/her absence. If two or more members of the Board are absent by reason of the circumstances described in this subdivision, and those absences result in the inability to establish a quorum at a regular meeting, the Board may immediately appoint one or more interim members as necessary to enable the Board to conduct business and discharge its responsibilities.

- The term of an interim member of the Board appointed as set forth above may not extend beyond the return of the absent member, nor may it extend beyond the next regularly scheduled election for that office.
