Welcome

Welcome to Ohlone College Orientation & Placement, Robert!

Orientation is designed to help you familiarize yourself with the resources you need to succeed and to help you transition to our college learning environment. By participating in this orientation you will:

- Learn what it means to be a student at Ohlone College
- Become more familiar with resources and student services that are available to help you succeed
- Complete your English and math placements
- Set up your Ohlone Student Email
- Be ready to sign-up for your Counseling & Registration (CAR) session, where counselors and peer mentors will help you select classes and register!

To continue with orientation, click "Next" on the bottom right hand corner.

Let's get started!
