

**1** Applying for FAFSA/CA Dream Act will make you eligible for the California College Promise Grant to cover the cost of your classes.

**3** Complete the online Orientation and Placement module. Log into your WebAdvisor account, go to the Student Menu page and click on Start Here: Orientation & Placement.

**6** Attend EOPS orientation. Get off to a good start and learn about the different opportunities and resources at EOPS.

**7** As an EOPS student, you are able to register early for your classes.

**8** Topics include career/life planning, college success, and transferring to a 4-year university.

**9** Schedule an appointment with an EOPS counselor every semester. They are here to support you with any academic, career, and personal concerns or questions.

**10** At least two appointments must be with an EOPS counselor.

**11** An SEP is a roadmap to help guide you in reaching your goals. Update it every semester even if your goals/plans have changed.

**12** Do you know EOPS has a Lending Library? Books are borrowed based on availability from the EOPS Academic Lending Library.

**13** Required for EOPS and it is an important check-in about how your classes are progressing.

**15** Qualify for the EOPS Book Grant if in compliance each semester (3 EOPS counseling contacts, 9 or more units completed, 2.0 GPA, attend an EOPS orientation, and 9 or more units enrolled for next semester).

**18** If planning to transfer to a 4-year university such as UC or CSU, counselors can assist with the application process. Fee waivers to cover the cost of UC/CSU applications are available.
