Your 2018-2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called Verification. Federal law says that before awarding Federal Student Aid, we must confirm the information you reported on your FAFSA. To verify that you provided correct information, your Financial Aid case manager will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information will need to be corrected. You and your parents must complete and sign this worksheet, and submit the form and other required documents to the Financial Aid case manager. If you have questions about verification, contact your Financial Aid case manager as soon as possible so that your financial aid will not be delayed.
Processing can take 3-5 weeks.
