Fremont Morning Rotary Scholarship

Rotary is an international organization comprised of leaders from business, professions, community organizations and others. We build friendships to make a difference for people in our community and around the world. We experience the rich fulfillment that comes from working together to benefit others. We partner with service organizations to help those in need and provide leadership and educational opportunities for our local youth. Fremont Morning Rotary is the only Rotary Club in the East Bay that meets before the business day begins. “We Start the Day Right.”
